

THE BOOK OF SCSI

The background of the cover is a detailed, stylized illustration of a futuristic city. The scene is dominated by shades of blue and green, with a prominent red starburst shape in the upper right corner. In the foreground, a sleek, dark-colored flying car is shown from a side profile, moving towards the right. Above it, another flying car is visible in the distance. The city buildings are layered, creating a sense of depth. A large, glowing yellow light source, possibly a sun or moon, is visible in the sky behind the buildings. The overall aesthetic is reminiscent of classic science fiction pulp magazine covers.
