God's Gift of Tongues George W. Zeller, 2005-10-01 In considering this controversial theme the author had a fivefold intent To examine every passage in the New Testament dealing with the gift of tongues To consider the significance of tongues in the Old Testament The Apostle Paul indicated that God's purpose for the gift of tongues could be discovered in the Law 1 Corinthians 14 21 22 To study the gift of tongues from a dispensational point of view in light of God's marvelous and yet distinctive programs for both Israel and the Church To provide a definitive answer to the difficult question When did tongues cease To apply the rich truths of this study to the proper functioning and conduct of the local assembly of believers today

Understanding the Gift of Tongues: Personal Handbook on the Gift of Tongues Adebodun Joshua,2019-11-09 In John 6 63 the response of our Lord Jesus Christ to His disciples when they were murmuring about His teachings was the words that I speak unto you they are spirit and they are life This response helps us to understand that the spoken and the written word of God is full of life But it is through the spirit the life of His word is manifested As a Bible Student and teacher I specifically wanted to know more of the three common texts on the gift of tongues namely Mark 16 Acts 2 and 1Corinthians 14 Since those are the most quoted scriptures on the gift of tongues While studying these texts I realized that the tongues promised in Mark 16 and the one spoken in Acts 2 has a different adjective qualifying the word tongue Therefore to understand this gift of tongues we have to agree with the Biblical writers why they include these adjectives New and Other to the word tongue and why these adjectives never appear again in all the places the gift of tongues is mentioned in the Bible Hundreds of articles have been written concerning this topic but without the notice of these two adjectives we will still not

have a complete understanding about the gift of tongues In this book I explore the reality of the gift of tongues in its fullness in the light of these two adjectives that precede the word Tongues as recorded in the Bible I addressed the true Biblical meaning of the tongues described by Apostle Paul in 1 Corinthians 14 and deal with issues concerning the gift of tongue and finally responded to some thought provoking questions that the reader might want some lights on Questions I have asked myself on this gift of tongues the one I heard people asked and those that came to me in the process of writing this book I pray this book will restore light on this contentious topic for the power of unity is with understanding

The Mystery of Tongues Joseph Essilfie,2019-08-10 The speaking in Tongues in Churches has been of significant controversy in many Christian circles with some even openly rejecting it as part of their doctrine Some believe it died with the Apostles of Jesus Christ To those who believe it is a gift of God by the Holy Spirit that enables the believer to connect to his or her spiritual umbilical cord receiving spiritual strength and nourishment from the Father It is also the means by refueling and powering up one s faith and ability to do what Christ said His disciples would do In The Mystery of Tongues the author reveals how God the Father desired that the Israelites hear His voice and know Him but rejected His offer and asked Moses to represent them at Mount Sinai Jesus in John 10 spoke about the sheep knowing the voice of their shepherd Tongues is a spiritual language for the believer in Christ as our natural languages are to our various nationalities The Bible teaches that the one who speaks in tongues has an advantage over one who does not Medical science has also proved that to be true I hope this book will bring illumination and enlightenment to many
