Boogie Nights:

Boogie Nights Paul Thomas Anderson,2000 Young Eddie Adams special thing happens to be a stunning appendage which propels him to stardom in the world of adult entertainment Deprived of love and respect from his family Eddie is renamed Dirk Diggler and conquers the world of porn but manages to retain his essential innocence As the turbulent seventies shade into the hedonistic eighties Dirk s career goes into a tailspin but he is rescued by the safety net of the extended family fostered by hard core movie director Jack Horner Paul Thomas Anderson s screenplay is exemplary in its ability to interweave the stories of its large cast of characters In accord with the wisdom of the Roman dramatist Terence who claimed Nothing human is alien to me Anderson has engaged with a side of life widely considered to be irredeemably sleazy and has mined humour sadness and compassion out of his unlikely subject matter

Striptease Culture Brian McNair,2002 From advertising to health education campaigns sex and sexual imagery now permeate every aspect of culture Striptease Culture explores the sexualization of contemporary life relating it to wider changes in post war society Striptease Culture is divided in to three sections Part one traces the development of pornography following its movement from elite to mass culture and the contemporary fascination with porno chic Part two considers popular cultural forms of sexual representation in the media moving from backlash elements in straight male culture and changing images of women to the representation of gays in contemporary film and television Part three looks at the use of sexuality in contemporary art examining the artistic striptease of Jeff Koons and others who have used their own naked bodies in their work Also considering how feminist and gay artists have employed sexuality in the critique and transformation of patriarchy the high profile of sexuality as a key contributor to public health education in the era of HIV and AIDS and the implications of the rise of striptease culture for the future of sexual politics Brian McNair has produced an excellent book in the study of gender sexuality and contemporary culture
