More Erotic Failures X10 S/W Peter Kinnell,1985-09-26 *More Erotic Failures* Peter Kinnell,1985 *The Complete Illustrated Encyclopedia of Erotic Failure* Peter Kinnell,1989-01 **Epic Fail** Mark Leigh,2013-06-06 Herewith a handful of sample entries to tickle your funny bones In the 1824 war between Britain and Ashanti now part of Ghana the British Redcoats found themselves surrounded by 10 000 fierce Ashanti warriors and running very low on ammunition Their commander ordered Charles Brandon the army s stores manager to break open the reserve ammunition he d ordered As the Ashanti advanced Brandon began to open the ammunition boxes only to find he had brought the wrong supplies They were all full of biscuits The grandfather of film star Lana Turner owned a half share in a brand new company that had started bottling a fizzy drink He thought the drink s name would affect its saleability and wanted to change it without success In frustration and as a protest he sold his 50% It s a pity really because Coca Cola became quite popular Italian Vittoria Luise was out driving during a fierce storm in Naples A huge gust of wind blew his car into the River Sele The car began to sink but the calm motorist managed to break a window and swim to safety He dragged himself onto the riverbank and it was here that he was hit by a falling tree and killed The Times of 19 October 1986 carried the story of Emilio Tarra a crewmember of the 1986 America s Cup race who was driving from Perth towards Adelaide during the Australian leg of the race En route his car sideswiped a kangaroo leaving it sprawled across the road Tarra got out of his car and assuming the kangaroo was dead decided to take a novelty photograph to show his colleagues Dressing the kangaroo up in his smart team blazer he propped it against his car to take its photograph As he was focusing his camera the kangaroo which had only been stunned woke up and bounded back off into the bush taking with it the jacket which contained Tarra s passport 2 000 worth of cash and his credit cards

Theologies of Failure Robert Sirvent,Duncan B. Reyburn,2020-01-01 What does failure mean for theology In the Bible we find some unsettling answers to this question We find lastness usurping firstness and foolishness undoing wisdom We discover too a weakness more potent than strength and a loss of life that is essential to finding life Jesus himself offers an array of paradoxes and puzzles through his life and teachings He even submits himself to humiliation and death to show the cosmos the true meaning of victory As David Bentley Hart observes most of us would find Christians truly cast in the New Testament mold fairly obnoxious civically reprobate ideologically unsound economically destructive politically irresponsible socially discreditable and really just a bit indecent By incorporating the work of scholars working with a range of frameworks within the Christian tradition *Theologies of Failure* aims to offer a unique and important contribution on understanding and embracing failure as a pivotal theological category As the various contributors highlight it is a category with a powerful

capacity for illuminating our theological concerns and perspectives It is a category that frees us to see old ideas in a brand new light and helps to foster an awareness of ideas that certain modes of analysis may have obscured from our vision In short this book invites readers to consider how both theology and failure can help us ask new questions discover new possibilities and refuse the ways of the world Hitchcock as Philosopher of the Erotic Richard Gilmore,2024-06-07 This book reads Alfred Hitchcock as a philosopher of what constitutes the erotic The author argues that Hitchcock is doing a post Nietzschean postmodern kind of philosophy in which he is exploring and creating possibilities of what the erotic can feel like and how the erotic can be expressed The erotic is a pervasive phenomenon in Hitchcock s films It involves irony play and sophistication and there can be erotic failures as well as erotic successes The erotic is most complexly explored by Hitchcock in his two masterpieces from the 1950s *Vertigo* 1958 a story of the failure of the erotic and *North by Northwest* 1959 in which the erotic is consummated in marriage The author argues that Hitchcock has a philosophical theory about what makes the difference It is a version of existential philosophy that understands what a person is to be based on what they make of themselves through their choices The author argues that the erotic for Hitchcock is a process of mutual reciprocal creation of the personality of the other person This process is complicated by the fact that as one attempts to create the person one desires one is simultaneously being created by that other person and so what one desires is also in a process of being recreated in the mutual reciprocal dance of the erotic entanglement There is a moral dimension to this because erotic failure is in a way a failure of the human not in the sense of a human essence but in the sense of realizing human possibilities that can make our lives more satisfying complete and full Hitchcock as Philosopher of the Erotic will appeal to scholars and advanced students working on philosophy of film film studies and philosophy of love and sex **Ethics and Exemplary Narrative in Chaucer and Gower** John Allan Mitchell,2004 **Sex and the Law** Fenton Bresler,1988 *The Eugenics Review* ,1925 Dear Mr. Thoms ,1994 **British Books in Print** ,1985 A Companion to the Ancient Novel Edmund P.
