Book Of Mormon 1920:

The 1920 Edition of the Book of Mormon Richard L. Saunders, 2022-01-25 Members of The Church of Jesus Christ of Latter day Saints tend to see the Book of Mormon through the lens of personal use as a single textual and scriptural monolith the Book of Mormon That is somewhat natural since we tend to have at hand and in use only the copy or version in our language needed to study it for inspiration In the process the point tends to get overlooked that while we may accept the text as inspired the physical embodiment of that text the Book of Mormon is a mortal reality The Book of Mormon while it has a spirit also has a mortal body or rather bodies existing in space and time As such it has a history and because it comes to us in the form of a book it also has a book history This study is divided into three parts The first part is a straightforward history of the edition s editing production and manufacturing processes It examines key points in the reprint history of the book following important factors in the subsequent impressions of the work across nearly thirty years of re impressions corrections transfers and one new format The narrative crowded into chapters one through four together leave Part II to catalogue the bibliographic minutia that is the beating heart of analytic book history and which provides entertainment for true blooded bibliophiles The details contained in the production and manufacturing contracts and coupled to the typographical evidence explained in Part III together resolve once and for all the question of what constitutes the 1920 edition and what does not

Book of Mormon Critical Text, 3rd ed., vol 1: I Nephi - Words of Mormon Robert F. Smith, 2024-12-31 Volume 1 of 4 volume study of the variant readings of the manuscripts and editions of the Book of Mormon with inter and intratextual parallels in a critical apparatus in footnotes and a full chronological matrix in footers The result of over 50 years of work on the Book of Mormon Critical Text Project [The Book of Mormon and its relationship with the Bible](#) David J. Richards, 2017-11-17 The Book of Mormon is an influential and controversial book It launched a religious movement has been believed by millions to be scripture and has been derided by others as fraudulent Despite this or perhaps as a result the book s contents have been subject to both academic neglect and popular myth This book challenges some of that neglect by examining the Book of Mormon through the lens of its relationship with the Bible a work which the Book of Mormon openly quotes and expects to be read alongside and the only text which everyone agrees is connected to the Book of Mormon Through close examination of the Book of Mormon text and biblical parallels including three substantial case studies this book examines the ways in which the Book of Mormon draws upon and interprets the biblical text This book demonstrates the complexity with which the Book of Mormon handles biblical material and the close correlation between its reading of the Bible and the Book of Mormon s own core themes

Book of Mormon Critical Text, 3rd ed., vol 2: Mosiah - Helaman Robert F.
