Casting a Spell George Black, 2009-03-12 Thirty five million Americans one in eight like to go fishing Fly fishers have always considered themselves the aristocracy of the sport and a small number of those devotees a few thousand at most insist upon using one device in the pursuit of their obsession a handcrafted split bamboo fly rod Meeting this demand for perfection are the inheritors of a splendid art one that reveres tradition while flouting obvious economic sense and reaches back through time to touch the hands of such figures as Theodore Roosevelt and Henry David Thoreau In Casting a Spell George Black introduces readers to rapt artisans and the ultimate talismans of their uncompromising fascination handmade bamboo fly rods But this narrative is more than a story of obscure objects of desire It opens a new vista onto a century and a half of modern American cultural history With bold strokes and deft touches Black explains how the ingenuity of craftsmen created a singular implement of leisure and how geopolitics economics technology and outrageous twists of fortune have all come to focus on the exquisitely crafted bamboo rod We discover that the pastime of fly fishing intersects with a mind boggling variety of cultural trends including conspicuous consumption environmentalism industrialization and even cold war diplomacy Black takes us around the world from the hidden trout streams of western Maine to a remote valley in Guangdong Province China where grows the singular species of bamboo known as tea stick the very stuff of a superior fly rod He introduces us to the men who created the tools and techniques for crafting exceptional rods and those who continue to carry the torch in the pursuit of the sublime Never far from the surface are such overarching themes as the tension between mass production and individual excellence and the evolving ways American society has

defined experienced and expressed its relationship to the land Fly fishing may seem a rarefied pursuit and making fly rods might be a quixotic occupation but this rich fascinating narrative exposes the soul of an authentic part of America and the great significance of little things George Black s latest expedition into a hidden corner of our culture is an utterly enchanting illuminating and enlightening experience

The Technology of Fly Rods Don Phillips,2000 At times we take it for granted it s just an extension of our arm but how much do you know about the development of your fly rod Don Phillips gives the reader a perspective of how fly rod technology has evolved since the earliest Chinese and Egyptian fishermen fed their families more than 2000 years before the birth of Christ In this book Don shares the history including the very first rods fly rod design over the years the use of cane metal fiberglass and boron and graphite the properties of these materials manufacturing processes for these materials component design patent activities over the years casting taper and cross sectional geometry and much much more You ll find this very detailed book hard to put down

Fishing Bamboo John Gierach,2014-10-07 An introduction to bamboo fly rod fishing by a master of the sport revised and updated

A Master's Guide to Building a Bamboo Fly Rod Everett E. Garrison, Hoagy B. Carmichael,2016-05-31 Learn the science and art of creating a one of a kind bamboo fly rod Fly fishing has a long and storied history While many flyfishermen will find and purchase their favorite fly rod there are those who desire to go a step further For those discerning flyfishermen and women simply buying a rod is not enough they must build one And just as fly fishing is an art so is the creation of the bamboo fly rod Many people believe that the best feeling rods particularly for trout fishing are made from bamboo and today s bamboo rod making tradition is particularly indebted to one man Everett E Garrison Using principles he learned as an engineering student Garrison created an exacting method of building rod a method that for decades was a well kept secret These techniques are presented to the reader in *A Master s Guide to Building a Bamboo Fly Rod* a classic volume written by Hoagy B Carmichael to honor and maintain Garrison s legacy Completely illustrated with black and white drawings and over three hundred and sixty black and white photographs along with copious notes on the mathematical and engineering principles that underlie Garrison s unique rod making technique this book will guide you through each step of creating a classic bamboo fly rod Skyhorse Publishing is proud to publish a broad range of books for fishermen Our books for anglers include titles that focus on fly fishing bait fishing fly casting spin casting deep sea fishing and surf fishing Our books offer both practical advice on tackle techniques knots and more as well as lyrical prose on fishing for bass trout salmon crappie baitfish catfish and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home

Fumbling with a Flyrod Ian Colin James, 2000 Hand someone a flyrod plop them in a cool burbling stream and tell them they are free from the stresses of everyday life Throw in the possibility of a finny conquest and you have a recipe for foolishness fun and sometimes outright weirdness Master fisherman Ian Colin James knows this only too well In Fumbling with a Flyrod he proves that most fishermen and women the sex with a better feel for the sport often walk a fine line between shambles and disaster How is a greyhound named Gus like a Great Lakes salmon As James tells it in his history making experiment they both react with the same breathtaking breakaway speed when tethered to the end of a line and a wise angler should Go Big when purchasing equipment Each one of the stories in Fumbling with a Flyrod is not only laugh out loud funny but also manages to cleverly impart a gentle lesson on the philosophy and techniques of the sport There are tips and tricks never before made public and a handy appendix listing the dressings for all the patterns mentioned in the stories Fly fishing s popularity is growing by leaps and bounds witness the success of the feature film A River Runs Through It The New York Times bestseller Fly Fishing Through Your Midlife Crisis and the 1998 Governor General s Award winner Lines on the Water Outdoor Canada magazine says that one fly fisher can be found in twenty percent of Canadian households Written illustrated and promoted by an author who is an acknowledged expert in the field and a familiar media presence Fumbling with a Flyrod will be a well loved addition to any fishing enthusiast s library

Reflections of a Fly Rod Mark Usyk, 2017-01-01 Fish stories are like opinions Everybody s got one The difference is people actually enjoy a good fish story In his first book Mark Usyk sets out to prove that he not only has a couple but that he knows how to tell them as well But are they really all fish stories Or is he trying to unlock the mysteries of the universe as only an angler can From his time as a cell tower climber with a bunch of fly rods packed alongside his climbing gear to his days spent at a grungy and thankless production factory job indoors and all but cut off from the great outdoors to memories of simpler days and the ones that got away here are 61 short stories told by a self proclaimed marginal fly fisherman Whether they re about fishing or something more is up to you to decide
