Book Second Commandments:

The Ten Commandments Stephanie Alsbrooks,2004-04-01 **The Second Commandment** Joey R. Peyton,2024-02-07

In an increasingly broken world filled with hate and violence God's plan from the beginning was to save and restore the world to the glory for which he had created it This simple plan has not changed with the evolution of sin time or man's rejection of his creator Rather God's simple twofold plan of redemption included both a commandment to love the creator with all one's heart mind soul and strength and a commandment to love one's neighbor as one's self Neither commandment stands in isolation for one cannot fully love others without a consuming love for God and neither can one completely love God without a love for the neighbor created by God The answer to hate is love the answer to war is love the answer to violence is love and the answer to all of societal disfunction is love The answer is not a commandment to like God and others because one only likes others because of likeness Rather love is a choice A choice to love what you don't like A choice to love what you don't understand A choice to love until the God you love sets everything right in eternity **Your New Identity**

(Victory Series Book #2) Neil T. Anderson,2014-09-02 You Can Find Freedom From Your Past Like Jacob who in the book of Genesis tricked his father into giving him his brother's blessing we all struggle with our own painful choices Often our attempts to fix our missteps result in an even more complicated web of destruction Is it possible to escape the unending tangle of guilt and shame Is there a better way toward wholeness In Your New Identity Dr Neil Anderson demonstrates that the two most important beliefs every Christian should possess is knowing who our heavenly Father is and who we are in Christ This second of eight Victory Series studies will help you understand God's nature and character and guide you to lay aside former ways and embrace your new life as a child of God This study with six sessions can be used individually or in a group and includes a leader's guide along with illustrations and questions for deeper reflection and practical applications God is full of grace and mercy He makes right what we in our fallen nature have made wrong In Your New Identity you will discover that as Jacob learned an encounter with the living God will change your life forever *Shepherd of Hermas*
