## **Addiction Pastoral Response:**

*Addiction* Bucky Dann, 2002 Chances are no church is immune to the drug demographics in America Pointing out that addiction is a pervasive problem in North American society Lynn Dann provides pastors and other pastoral caregivers with crucial help in understanding the needs of the addicted their families and the congregations of which they are a part He draws on years of experience as a pastor and a certified alcohol and substance abuse counselor to offer practical guidance on how to recognize the addicted and minister effectively to them Dann begins by outlining in clear and accessible terms the best contemporary thinking on the nature of addiction From there he moves to a discussion of the particular resources that Christian churches can add to the treatment of addiction and the support of the addicted and their families Finally he includes tools for preaching and teaching on the nature of our drug obsessed culture and biblical themes related to the care of the addicted Those who are just beginning in pastoral ministry as well as those who have engaged in it for many years will find this an invaluable resource for knowing how to deal with this tragic and increasingly prevalent problem *Hidden Addictions* Bridget Clare McKeever, 1998 In *Hidden Addictions A Pastoral Response to the Abuse of Legal Drugs* you ll find that beneath the gruesome more public face of illegal drug abuse lies another less hideous but just as destructive layer of addiction the addiction to prescribed drugs In this revealing study you ll learn how you can confront the hidden malady of legal drug dependency in individuals and ultimately break its chokehold on a world already ravaged by complacency and social systemic dysfunction The only book of its kind *Hidden Addictions* is a concise readable pastoral perspective on the creeping epidemic of legal drug abuse Its illuminating case vignettes show you the social roots of addiction and give you the spiritual and religious resources necessary to put you and your loved ones on the road to holistic recovery Specifically you ll read about groups most at risk girls young women and older women types of drugs including tranquilizers sedatives antidepressants and painkillers over the counter drugs and look alike drugs women and the pharmaceutical industry recovery methods including detoxification family therapy and couple counseling spiritual resources and systemic reform In a society already addicted to power pleasure and possession you don t always see the warning buttons being pushed But this book shows that you can turn back the quiet tide of spiritual sickness and psychochemical dependency that s sweeping the globe So whether you re a pastor whose congregation is suffering a social worker administering to addicted clientele or a campus minister *Hidden Addictions* will give you the pragmatism and awareness you need to heal the wounded soul

*Pastoral Response to Drug Abuse and Addiction Among Adolescents* Yoonjung Na, 2009 **Hidden Addictions** Richard L Dayringer, Bridget C Mc Keever, 2014-02-25 In *Hidden Addictions A Pastoral Response to the Abuse of Legal Drugs* you ll find that beneath the gruesome more public face of illegal drug abuse lies another less hideous but just as destructive layer of addiction the addiction to prescribed drugs In this revealing study you ll learn how you can confront the hidden malady of legal drug dependency in individuals and ultimately break its chokehold on a world already ravaged by complacency and

social systemic dysfunction The only book of its kind *Hidden Addictions* is a concise readable pastoral perspective on the creeping epidemic of legal drug abuse Its illuminating case vignettes show you the social roots of addiction and give you the spiritual and religious resources necessary to put you and your loved ones on the road to holistic recovery Specifically you ll read about groups most at risk girls young women and older women types of drugs including tranquilizers sedatives antidepressants and painkillers over the counter drugs and look alike drugs women and the pharmaceutical industry recovery methods including detoxification family therapy and couple counseling spiritual resources and systemic reform In a society already addicted to power pleasure and possession you don t always see the warning buttons being pushed But this book shows that you can turn back the quiet tide of spiritual sickness and psychochemical dependency that s sweeping the globe So whether you re a pastor whose congregation is suffering a social worker administering to addicted clientele or a campus minister *Hidden Addictions* will give you the pragmatism and awareness you need to heal the wounded soul

*Addiction and Pastoral Care* Nicolas Roberts,2018 Addiction can take many forms and there can hardly be a minister or a prison college or schools chaplain who will not have encountered its damaging effects on individuals their families and local communities In the UK in 2014 there were 3 300 drug related deaths and almost 9 000 alcohol related deaths 70% of offenders admit to a drug problem before prison and drug use is a major problem throughout the prison system Besides these compulsive behaviours of all kinds damage personal and communal wellbeing Clergy and pastoral workers are often in the front line caring for addicts and their families usually without any professional training This handbook from an experienced pastoral practitioner offers An exploration of the psychology of addiction A theological perspective on desire The nature of pastoral care with addicts Practical models of pastoral care Resources for professional care **The ^AChurch Leader's Counseling Resource Book** Cynthia Franklin Ph.D.,Rowena Fong,2011-02-01 This all in one guide is designed to better equip clergy to meet their churches needs in a spiritually grounded and scientifically sound manner Succinct easy to read chapters summarize all a pastor needs to know about a given problem area including its signs or symptoms questions to ask effective helping skills and most importantly when to refer to a mental health professional *Documents of the Christian Church* Henry Bettenson,Chris Maunder,2011-09-29 This selection of writings from the most important moments in the history of Christianity has become established as a classic reference work providing insights into 2000 years of Christian theological and political debate While retaining the original material selected by Henry Bettenson Chris Maunder has added a substantial section of more recent writings These illustrate the Second Vatican Council the theologies of liberation Church and State from Thatcher s Britain to Communist Eastern Europe Black feminist and ecological theology ecumenism and inter faith dialogue The emphasis on moral debate in the contemporary churches is reflected in selections discussing questions about homosexuality divorce AIDS and in vitro fertilization amongst other issues This further expanded fourth edition brings the anthology up to date with a new section looking at issues facing the twenty first century churches This includes extracts

exploring the churches responses to questions of social justice international politics trade and debt environmental change and technological development New material also covers the global growth of Christianity the progress of Christian unity and mission in multi faith and postmodern societies **Beyond This Darkness** Ben Pugh,Jason Glover,Daniel

Thompson,2017-05-11 Beyond this Darkness is a brand new faith based recovery program It is not based on 12 steps though it takes the best of 12 step wisdom and updates it by adding some of the best things that have been tried in addiction therapy since the 1930s Addiction therapy has moved on a long way since Bill Wilson and his brilliant book This book seeks to harness these newer insights and wrap them up within a framework that is inspired by some of the most intriguing and liberating insights of the Apostle Paul All the way through the reader is encouraged by the voices of addicts that have overcome their habit There is story after story of victory over the most hopeless cases of alcohol drug gambling and porn addiction and even one case of chocolate chip cookie addiction In every case the program tries to identify what has worked and point the way for the reader to shake themselves free of their darkness Understanding and Counseling Persons with

Simon Rosser,1998 Contributors from Europe and North America challenge the dominant paradigms of HIV prevention and explore models and theories to help professionals develop more effective prevention programs They consider such factors as improving successful risk management strategies rather than quantifying

risk factors examining the meaning and context of sexual acts that occur in casual encounters and steady partnerships and their relevance to prevention harm reduction rather than expecting abstinence and relating such aspects of sexual encounters as physical attraction intimacy reciprocity and power to why men choose not to use condoms Paper edition 1 56023 116 5 22 95 Also published as Journal of Psychology and Human Sexuality vol 10 nos 3 4 1998 Annotation copyrighted by Book News Inc Portland OR **On Cassette** ,1991 *Index to Book Reviews in Religion* ,1999 *National Council of Churches Review* ,1999 **Internationale Bibliographie der Rezensionen wissenschaftlicher Literatur** ,2003
