Nathan Chen tells the story of his remarkable journey to success reflecting on his life as a Chinese American figure skater
and the joys and challenges he has experienced including the tremendous sacrifices he and his family made and the physical
and emotional pain he endured When three year old Nathan Chen tried on his first pair of figure skates magic happened But
the odds of this young boy one of five children born to Chinese immigrants competing and making it into the top echelons of
figure skating were daunting Chen s family didn t have the resources or access to pay for expensive coaches rink time and
equipment But Nathan s mother Hetty Wang refused to fail her child Recognizing his tremendous talent and passion she
stepped up as his coach making enormous sacrifices to give Nathan the opportunity to compete in this exclusive world That
dedication eventually paid off at the 2022 Olympic Games in Beijing where Chen reverently known as the Quad King won
gold becoming the first Asian American man to stand at the highest podium in figure skating In this moving and inspiring
memoir Chen opens up for the first time chronicling everything it took to pursue his dreams Bolstered by his unwavering
passion and his family s unconditional support Chen reveals the most difficult times he endured and how he overcame each
obstacle from his disappointment at the 2018 Olympic Games to competing during a global pandemic to the extreme physical
and mental toll the sport demands Pulling back the curtain on the figure skating world and the Olympics Chen reveals what it
was really like at the Beijing Games and competing on the US team in the same city his parents had left and his grandmother
still lived Poignant and unfiltered told in his own words One Jump at a Time is the story of one extraordinary young man and
a testament to the love of a family and the power of persistence grit and passion This memoir includes 16 pages of color
