Adding Two To The Heart A New Family:

Adding Two to the Heart James Bromley, 2002-05-01 **Shot in the Heart** Mikal Gilmore, 2009-09-23 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER A murder tale from inside the house where murder is born Haunting harrowing and profoundly affecting *Shot in the Heart* exposes and explores a dark vein of American life that most of us would rather ignore It is a book that will leave no reader unchanged Gary Gilmore the infamous murderer immortalized by Norman Mailer in *The Executioner's Song* campaigned for his own death and was executed by firing squad in 1977 Writer Mikal Gilmore is his younger brother In *Shot in the Heart* he tells the stunning story of their wildly dysfunctional family their mother a black sheep daughter of unforgiving Mormon farmers their father a drunk thief and con man It was a family destroyed by a multigenerational history of child abuse alcoholism crime adultery and murder Mikal burdened with the guilt of being his father's favorite and the shame of being Gary's brother gracefully and painfully relates his story from inside the house where murder is born a house that in some ways he has never been able to leave *Shot in the Heart* is the history of an American family inextricably tied up with violence and the story of how the children of this family committed murder and murdered themselves in payment for a long lineage of ruin **Goethe's Families of the Heart** Susan E. Gustafson, 2016-06-30

Throughout his literary work Goethe portrays characters who defy and reject 18th and 19th century ideals of aristocratic and civil families notions of heritage assumptions about biological connections expectations about heterosexuality and legal mandates concerning marriage The questions Goethe's plays and novels pose are often modern and challenging Do social conventions family expectations and legal mandates matter Can two men or two women pair together and be parents How many partners or parents should there be Two One A group Can parents love children not biologically related to them Do biological parents always love their children What is the nature of adoptive parents children and families Ultimately what is the fundamental essence of love and family Gustafson demonstrates that Goethe's conception of the elective affinities is certainly not limited to heterosexual spouses or occasionally to men desiring men A close analysis of Goethe's explication of affinities throughout his literary production reveals his rejection of loveless relationships for example arranged marriages and his acceptance and promotion of all relationships formed through spontaneous affinities and love including heterosexual same sex nonexclusive group parental and adoptive **Heart Connection** Drs. Nancy Rockey, Ron Rockey, 2011-03-24 Cell

phones iPods and texting just aren't cutting it and we live in an age when people are desperate to find intimate connection What we need is intimacy in to me see human moments when hearts connect creating the splendor that couples wish for But how do we get there *Heart Connection* is a powerful combination of gripping true life stories fascinating cutting edge research that explains why we feel and act the way we do and practical principles and theories that can transform your relationships from messy and mundane to ones that are wildly alive and beating with human passion and God's vibrant love the kind of sacrificial love that makes dreams come true It doesn't mystically happen in marriage when a couple says I do But

it can be yours if you're willing to clean up the junk the Devil has dumped on you so you can express and receive God's unfiltered abundant love through the tender words meaningful touch and adoring gaze of your lifelong partner All of your relationships can experience this longed for change because new science says that even our DNA is changeable fixable just like you are
