

The Adolescent Journey

Stage 3: The Endless Search for A Name

A black silhouette of a person standing, facing right, with a faint shadow cast behind them to the right.

The Adolescent Journey begins with awakening desires and a gnawing sense of incompleteness that cannot be satisfied at home.

Adolescent Journey:

The Adolescent Journey Amy E. Jacober, 2011-04-07 Adolescence is a time of individuation children are slowly finding their identity as adults separate from their parents and other adult influences Such a critical time of psychological development is complicated by cultural influences that shape their expectations of adulthood and color how they relate to other people and even God The task of the youth pastor becomes to help adolescents navigate this often treacherous journey helping young people reconcile their experience of childhood to the reality of their impending adulthood and rooting and establishing them in a faith that can sustain them through their adult journey as well Drawing on the insights of sociology and psychology Jacober reveals youth ministry to be an act of practical theology and helps youth pastors find their footing as they guide young people through adolescence

The Adolescent Journey Marsha Levy-Warren, 1996 This is a comprehensive statement about adolescent development identity formation and treatment

The Adolescent Journey Marsha H. Levy-Warren, 2004

The Adolescent Journey Julie Fisher, 2025-07-04 There are moments in life that don't go exactly to plan and raising a teenager is one of them When your child lives with a disability it can be extra challenging This is the story of Julie Fisher and her family as they navigate the adolescent years with their son Darcy who lives with Down syndrome Throughout this book she shares the things they've learned and the steps they've taken to support Darcy as he grows Watching our kids step into independence is both exciting and overwhelming Some days are easy others are hard But rather than focusing on the struggles Julie's family choose to embrace the beauty in every stage From finding the right resources to preparing for the future every decision they make is about helping their son thrive and shine By sharing their journey Julie hopes she can help others feel less alone and more prepared Every teenager is different and every family's path is unique but one thing remains the same They all deserve to be supported valued and given the best chance to thrive Having a child with Down syndrome is like taking the scenic route You still get where you are going It may take a little longer but it will be well worth the trip
