Adrift Off The Shores Of Sanity:

Adrift Andy Reed,2004-10-01 While in high school I wrote short science fiction and fantasy stories When I had exhausted all the writing courses offered I met with the English Board and they agreed that I should continue So they gave me my own independent study class At the end of my senior year I received a writing award Years later when my daughter was high school aged I was reading the lyrics of some of that wild music that she listens to I thought to myself I can write like that Eight months later this book is what I ended up with Some of these poems are serious some are funny some are dark and some are thought inspiring Some come from my life and others are just stories But all come from inside my head

Off-Season Ken McAlpine,2010-07-07 No Longer the Forgotten Season Just after Labor Day Ken McAlpine said good bye to his family and began a drive up the East Coast from Florida to Maine on a one man quest to capture the elusive forgotten season of beach towns shuttered until the return of warm weather Off Season is a moving portrait that brings to life the magic of the sea and shore in winter the charm of beach towns emptied of summer crowds and the warmth and eccentricities of year round coastal residents who revel in small town spirit McAlpine skipped the more popular destinations like Nags Head Virginia Beach Cape May and the Hamptons opting to visit lesser known locales like Sharpes Florida Tangier Island Virginia and Montauk New York There he found people who celebrated the departure of the tourists with the cautious hope they d return next summer He encountered fishermen struggling to make a living a former playboy lifeguard now ministering to the elderly and ill a marine policeman both reviled and respected a lone kayaker paddling away his grief a couple fighting to save the world s coral reefs divers searching for everything from false teeth to dead bodies in dark waters and deserted snow covered beaches more beautiful than anyone could describe More than a travelogue and a whole new breed of beach read Off Season is a stroll off the beaten path and a look at the people and places in our country that keep the spirit of community alive
