Bible Crusade Steve Bates, 2007-08 There is nothing in the life of Steve Bates that would qualify him in the eyes of the world as an authority on the Bible To be honest there are no Bible authorities My knowledge of the Book comes from fifty years of study I was born March 3 1928 I was born again Easter Sunday morning 1951 My Bible study has been constant since The second week of my Freshman year in High School I was kicked out of school after a physical altercation with a racist gym teacher My formal education stopped Home study became my educating tack I have studied courses from Moody Bible Institute Liberty University and attended classes at Ohio State University and Columbus State Community College I have no degrees At the Columbus Bible Institute I learned to read and write the Koine Greek of the Bible The Hebrew reading and writing backwards by our standards I am working on The Crusade Bible crusade by Steve Bates aims to bring light into darkened churches and Truth to contest error Read the book with an open Bible Jesus warned of deceivers and false prophets They head up congregations Churches are filled with deceived people who have grown so accustomed to false teaching they do not recognize or accept true Bible In many churches truth is stymied and false teaching abounds Blatant unbelief is tolerated and accepted as true Bible Salvation only in Jesus Christ is put down as an arrogant claim and some teach that all religions lead to heaven and peace with God For truth open this book and your Bible Neither is there salvation in any other for there is none other name under heaven given among men whereby we must be saved Acts 4:12

Imposed Morality Dr Alena Rada, PhD, 2021-06-01 The book *Imposed Morality* is written from a multidisciplinary perspective and in this sense is totally different from other books dealing with human sexuality and particularly homosexuality While other books usually present only one point of view such as medical psychiatric psychological social or legal this book present a total and multidisciplinary view It also includes a discussion of the present views of homosexuality both in the western countries as compared to some non western societies which do not seem to take the many important aspects of this practice recently discussed and evaluated by western scientists in consideration and continue to criminalize homosexuality leading to death sentences and executions of gay people or them being stoned publicly to death

Polygamy in Northern Malawi Moses Mlenga, 2016-01-14 The early missionaries brought Christianity from the monogamous West to the polygamous societies of

Africa Were the missionaries right in demanding that converts dismiss all but one wife Was this the demand of the Christian faith or of Western civilization And were the converts right to dismiss their wives though they had married them according to the laws of the land And who asked the children if they wanted their mothers to be dismissed and may or may not be married to another man The book argues that while polygamy is an African reality it is below Christian moral standards However is stopping converted polygamous men and women from baptism best practice if we believe that sin can be forgiven for the one who repents Can the shedding of responsibility for wives and children be made a precondition for such forgiveness
