**Local SEO** B. M. Flatt, 2010-05-01. Increase your visibility, get more new customers, and completely dominate your local market with a top-ranked business listing on the front page of Google. With Local SEO, now anyone can put their business on the top of Google's search results following the simple, non-technical, step-by-step instructions contained in this no-fluff, hard-hitting, actionable book. Since 83% of Google searches never make it past the second page of the search results, just being listed somewhere on Google isn't enough. To be found easily by potential customers and to generate unstoppable new business, you must be found on the first page of Google's search results. This book will get you there. This book contains the exact same information I teach in my 997 seminars, and it provides the identical steps my company employs for our clients for 597 monthly maintenance. Here's what you'll learn: How to create a fully optimized Google Maps/Google Places listing that will catapult you above your competition. How to get FREE, highly targeted, ready-to-buy Google searchers to your business website every day. How to bring loads of new customers to your local business even if you do not have a website. How to get FREE exposure to your business while your competition is paying for clicks. How to dominate your local competition without hiring an expensive SEO expert. And much more, more.
