**Addicted to Murder** Kevin J. Lindenmuth, Ron Ford, Todd French, 2012-02-03 After the success and wide distribution of the first ADDICTED TO MURDER movie in 1996 writer producer Kevin J Lindenmuth wanted to shoot a larger budget sequel He came up with the idea for THE LAST VAMPIRE and hired frequent collaborator Ron Ford to write the screenplay However that was not to be So Lindenmuth proceeded to make a micro budget PREQUEL TAINTED BLOOD keeping in mind that he would make this Final ADDICTED TO MURDER movie one day While a lesser sequel to the first two movies was made BLOODLUST this screenplay remained unproduced Then itching to do a follow up years later Lindenmuth agreed to let screenwriter Todd French take a stab and puncture at it Keeping in mind THE LAST VAMPIRE script as well as the continuity of the first three movies ADDICTED TO MURDER REDWORK was born Alas there was not a producer for this script either Now that a decade has passed fans of the ADDICTED TO MURDER trilogy can discover how the series finally ends

**The Independent Film Experience** Kevin J. Lindenmuth, 2002-02-14 You see them on the video shelves with titles such as Shadow Tracker Psycho Girls and The Blair Witch Project Sceptically perhaps you rent one and slip it into the VCR Hey you think this isn't so bad sometimes actually quite good Suddenly you discover that there is a whole range of movies from filmmakers operating outside the studio system that have their own attractions that the big budget fare can't match You have of course discovered the world of independent filmmaking A fascinating group of independent film directors and producers in interviews with the author discuss their work and the state of the independent film industry at the end of the 20th century Joe Bagnardi Dennis Devine Andrew Harrison Jeff Leroy Andrew Parkinson Brett Piper and 23 others cover such topics as the increased interest in independent films and how they are changing thanks to high tech advances These filmmakers vary widely in age experience formats and budgets and choice of subject matter but they all have a great passion for their work

**Reflections of PTSD** Tim Segrest, 2008-08-06 In my first book Perfect Flaws I wrote that the book was about nothing and something at the same time However in the past year or so I have arrived at a different conclusion I have seen many horrid things as a sniper in a Special Forces unit The details are irrelevant here there are some in the pages inside I can honestly say that this book is about how a person such as I deals with PTSD and its expressive turmoil it plays inside our minds It is in my opinion incurable and the phrase get over it should never be in the same conversation I am not promoting poetry as the only means of self healing I am more importantly trying to encourage other veterans to do something to aide in healing themselves It's hard work but one cannot rely on medications and outside influences to heal them Just in combat much of the time you can only rely on yourself You must want to live I have dove deeper in this book to explore topics outside the combat zone Topics assigned to me in college classes as well as everyday life I did this because we are not in combat anymore Everyday problems blend into our past world an avoidable part of living in society But through the same self healing methodology I feel you can tackle them as well But then again like I
