Dome Raiders:

Dome Raiders Jon Shatford, William Doyle, 2005-09-01 THE PRESS CALLED IT THE HEIST OF THE MILLENNIUM AND A PLOT WORTHY OF JAMES BOND In 2000 a gang of villains from the South East of England hatched an audacious plan to steal the world's largest perfect diamond from the Millennium Dome in broad daylight and make their getaway by speedboat. The gang had figured out an ingenious way to breach the diamond vault but the execution was reliant on timing, brute force and a JCB digger. Had they succeeded it would have made the spoils of the Great Train Robbery and Brinks Mat look like loose change. They came within a whisker of unimaginable wealth but it was snatched from under them by one of the most daring police operations ever. Here is the thrilling and dramatic full story of the robbery as told by the detective who foiled their plans. Experience the electrifying attacks, the jaw-dropping guile of the villains, the nerves needed for the stakeout and the final nail-biting confrontation inside the Dome. *Killing Goldfinger* Wensley Clarkson, 2017-06-01 KILLING

GOLDFINGER charts the extraordinary rise and spectacular bullet-riddled fall of John Palmer, the richest, most powerful criminal ever to have emerged from the modern British underworld. During the late 1990s, Palmer was rated as rich as The Queen by the Sunday Times Rich List. Palmer earned his nickname Goldfinger after smelting in his back garden tens of millions of pounds worth of stolen gold bullion from the 20th century's most lucrative heist, the Brink's Mat robbery. Palmer then used his share of the millions to become the vicious overlord of a vast illegal timeshare property empire in Tenerife. At the same time, Goldfinger financed huge international drugs shipments as well as some of the most notorious UK robberies of the past 30 years, including the 50m Securitas heist in Kent in 2006 and many believe the Hatton Garden heist in 2015. Palmer vowed to hunt down all his underworld enemies. But in the end, it was those same criminals who decided to bring his life to an end. Murdered in June 2015 with charges of fraud, money laundering and worse pending, this book tells his murky story for the first time. As outrageous and bullet-riddled as the hit Netflix series *Narcos: Killing Goldfinger*, this tells the true story of Britain's underworld kingpin who turned the sunshine holiday island of Tenerife into his very own Crime Incorporated and then paid the ultimate price. *Alien Empires* Neven Lee Gibbs, 2012-08-07 Sam was born an ordinary child and spent the first 40 years in a near-normal life. An accident in a secret underground military base extended his lifespan and put him on a personal course to save Earth from being taken over by an Alien Race. Known as Joe to the Shadow rebellion that fought to defeat the Shadow Governments controlled by the Reptilians, Joe finds strange allies on other worlds and his home world that aid him in his quest. Sometimes called Star Man of legend by primitive tribes on Earth, Joe visits strange and exotic places on Earth and other planets, meets new and exciting beings and kills some of the more disagreeable ones. Dealing with great sorrow and loss, Joe uses humor and the joy of every moment to hold back despair, often to the consternation of his friends. Includes a spicy Cajun recipe for How to cook an Alien from the Draconis Star System publisher's website. **No One Got**
