Danticat into conversation at a time when the construction of a border wall and racist immigration laws confirm increasing anti Haitian sentiment in the Dominican Republic Neighbor Homes incorporates correspondence between the two writers to extrapolate diverse narrative representations of Hispaniola and to highlight various themes central to their work and social justice platforms including family relationships community building neighbor aesthetics statelessness and border solidarity Neighbor Homes will help interdisciplinary audiences read Danticat and Alvarez with a more critical eye so that they can more adeptly and profoundly understand Haiti the Dominican Republic and their respective diasporas This important study is an essential read for students and scholars of literature and social justice cultural studies history and politics as well as Caribbean Latinx and African diaspora literatures **Standard Catalog for Public Libraries** H.W.
