Don Orsino (Classic Reprint) F. Marion Crawford, 2017-10-11 Excerpt from Don Orsino Don orsino saracinesca is of the younger age and lives in the younger Rome with his father and mother under the roof of the vast Old palace which has sheltered so many hundreds of Saracinesca in peace and war but which has rarely in the course of the centuries been the home of three generations at once during one and twenty years The lover of romance may lie in the sun caring not for the time of day and content to watch the butter flies that cross his blue sky on the way from one flower to another But the historian is an entomologist who must be stirring He must catch the moths which are his facts in the net which is his memory and he must fasten them upon his paper with sharp pins which are dates About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
