Fultz, 2023-10-05 There are two sides to every coin There usually are two sides to every story or differing exchange of ideas Coin of Brokenness tells a story of brokenness but it also points to the steps to healing The before and after of brokenness is not always pretty but there is a choice that will begin the healing process to a new sense of wholeness Brokenness does not need to be a final chapter in your life s story It can be the stepping stone to a whole new awareness of God and the power He enables to overcome the components of brokenness that every human being has encountered God wants to rewrite your broken story to a whole new experience of grace Embrace Him and He will give you the positive side in place of the negative side to your Coin of Brokenness *On Coughs, Consumption, and Diet in Disease* Horace Dobell, 1877 Collier's, 1954
