Work,2012-09-14 When James Work took a teaching job at the College of Southern Utah in the mid 1960s he knew little about teaching and even less about the customs of his Mormon neighbors For starters he did not know he was a Gentile the Mormon term for anyone not a member of the Church of Jesus Christ of Latter day Saints But just as he learned to be a religious diplomat and a black market bourbon runner he also discovered that his master s degree in literature apparently qualified him to teach journalism photography creative writing advanced essay and feature article writing freshman composition and vocabulary building With deadpan humor Work pokes fun at his own na vet in *Don t Shoot the Gentile* a memoir of his rookie years teaching at a small college in a small mostly Mormon town From the first pages Work tells how he navigated the sometimes tricky process of being an outsider pulling readers no matter their religious affiliation into his universal fish out of water tale The title is drawn from a hunting trip Work made with fellow faculty members all Mormons When a load of buckshot whizzed over his head one of the party hollered Don t shoot the Gentile We ll have to hire another one Today the College of Southern Utah is a university and Cedar City like most small towns in the West is no longer so culturally isolated James Work left in 1967 to pursue a doctorate but his remembrances of the place and its people will do more than make readers Mormon and non Mormon alike laugh out loud Work s memoir will resonate with anyone who remembers the challenges and small triumphs of a first job in a new strange place [Give Me Space but Don't Go Far](#) Haley Weaver,2024-04-16 A tender funny illustrated memoir about anxiety and self acceptance from the artist behind haleydrewthis Anxiety has been glued to Haley Weaver s side since she was a child Like most people Weaver saw the constant what ifs and worst case scenarios that Anxiety whispered in her ear as an obstacle to her happiness Maybe she could dump her anxiety at her therapist s office or send it on a trip far far away anything to get rid of it for good But over time she realized anxiety s true intention to keep her safe Could she learn to let it do its job but also figure out how to live without constant worry and fear This full color illustrated memoir stars Haley and Anxiety as themselves and showcases their complicated but ultimately

uplifting relationship It also introduces readers to the helpful and not so helpful coping mechanisms Haley relies on to soften the edges of her mental health issues There s the Distractor who wears a bright red boa and encourages Haley to avoid uncomfortable feelings by scrolling the Internet the Liar who teaches Haley the pillars of a good fib in order to survive at the middle school lunch table and even the Partier who gives Haley a social life in college but also lands her in the ER From detailing her first unsupervised birthday party as a preteen to exploring the overwhelming life transitions as an adult Give Me Space but Don t Go Far brings to life the pivotal moments of Haley s life and illuminates the lesson she s learned With care practice and sound strategies we can learn to coexist with our anxiety and maybe even love it **Lippincott's**
