Lei Shi

Dont Go Up Kettle Creek:

Don't Go Up Kettle Creek William Lynwood Montell, 2000 Don t Go Up Kettle Creek is a historical portrayal of a river and the people who made their living along its banks and tributaries Drawing upon the personal recollections and oral traditions of longtime residents William Lynwood Montell describes a century and a half of life in the Upper Cumberland Montell organized his material according to the topics that dominated his tape recorded conversations with residents of the area farming logging and rafting steamboating the Civil War topics that the people themselves saw as important in their history In reconstructing the past the author also illuminates the relationship between geographic and economic factors in the region the prolonged affects of a cataclysmic event the Civil War on the isolated area and the impact of modernization in the form of hard roads and cheap TVA supplied electricity on the traditional ways of people First published in 1983 this book is now available in paperback for the first time Included with this edition is a new foreword in which Montell and Mary Robbins executive director of the Tennessee Upper Cumberland Tourism Association describe changes in the area that have occurred since the book s initial appearance The Author William Lynwood Montell now retired was coordinator of programs in folk and intercultural studies at Western Kentucky University His numerous books include Ghosts along the Cumberland and The Saga of Coe Ridge

Don't Go Up Kettle Creek William L. Montell, Country People in the New South Jeanette Keith, 1995 Using the Tennessee antievolution Monkey Law authored by a local legislator as a measure of how conservatives successfully resisted co opted or ignored reform efforts Jeanette Keith explores conflicts over the meaning and cost of progress in Tennes

Sergeant York David D. Lee, 2014-04-23 Alvin C York went out on a routine patrol an ordinary unknown American doughboy of the First World War He came back from no man s land a hero In a brief encounter on October 8 1918 during the Argonne offensive York had killed 25 German soldiers and almost singlehandedly effected the capture of 132 others Returning to the United States the following spring he received a tumultuous public welcome and a flood of offers from businessmen eager to capitalize on his acclaimed feat But York true to his character went quietly back to his home in the Tennessee mountains where he spent the remainder of his life working to bring schools and other services to those remote valleys where his neighbors lived In this definitive biography David D Lee has firmly established the simple facts of Alvin York s life distinguishing them from the myths which have grown up around the man He has reexamined the sometimes conflicting accounts of the famous exploit finding in his research a hitherto unknown report of the skirmish from German military archives Lee goes beyond that single wartime episode however to consider its consequences on York s later life his efforts not always successful to better his mountain community his involvement in making a motion picture of his life his difficulties with money and taxes But Sergeant York is better known as a symbol than as an individual and in this study Lee connects the man and his life to an American heroic ideal With his rural background his refusal to take commercial advantage of his fame and his simple piety Alvin York exemplified the traditional values of an agrarian America that was in

his own day already receding into the past He claimed a special place in the hearts of his countrymen Lee concludes because his life seemed to show that the virtues of the common man continued to be a vital part of American society
