Radical Healership Laura Mae Northrup, 2022-02-22 The countercultural healer's guide for building a sustainable and values-driven practice, work toward your purpose, grow your client base, and thrive with integrity in an unjust capitalist system. The time for healing and the time to be a healer is now. Therapist Laura Mae Northrup navigates the complexities of being a healer today and shows how you can stay true to your calling in a world built from systems that were designed to extract, oppress, and exploit. Addressing fundamental tensions that arise for practicing healers working in a late-stage capitalist culture, Northrup shares how to maintain your ethical framework even while prioritizing financial stability. Market and brand your practice authentically without resorting to fear-based tactics. Recognize the unconscious biases and unexamined motivations you unintentionally bring to work. Honor your limits within a culture that valorizes overwork and perpetuates burnout. Prioritize your emotional needs and spiritual goals and honor their place in your healing practice. Structured in accessible, to-the-point chapters with practical writing and reflection prompts, Northrup offers an authentic, spiritually grounded approach to healership, going much deeper than the promise of a million-dollar practice or a minimum-effort game plan. Written for healers of all modalities, including radical therapists, functional practitioners, reiki workers, bodyworkers, and healers who have been sidelined, underfunded, underresearched, or delegitimized within a Western capitalist framework, this book offers a nuanced, political, and social justice-informed guide to building the practice you want and thriving as the healer you were born to be.
