William J. Burns, Isabel Ostrander

Doin Dirty:

Doin' Dirty Howard Swindle, 2011-04-01 A year ago Dallas Homicide Detective Jeb Quinlin went through an alcohol rehab program that was rather more intense than usual as he double timed his treatment with tracking a serial killer on an AA agenda Now sober and taking things one day at a time on the job and cautiously but successfully involved with Madeline Meggers a woman he met in the Jitter Joint he s fragile but surviving Quinlin and his partner Paul McCarren s latest case involves the gruesome murder of an investigative reporter It seems that Richard Carlisle may have found more than he bargained for while following a lead on a hush hush story Tracing Carlisle s steps the case leads Quinlin back to his roots in the legendary Texas ranching country of Comanche Gap looking into the activities of the Colters a prominent and wealthy family But what could Carlisle possibly have found that was threatening enough to cost him his life The truth promises to be more far reaching more dangerous and much closer to home than Quinlin can imagine pitting him McCarren and a few faces from Quinlin s past against one of the Lone Star State s most powerful families **Munsey's Magazine for ...** ,1922

Munsey's Weekly ,1922 **The Jewish Graphic Novel** Samantha Baskind, Ranen Omer-Sherman, 2008 This is a lively interdisciplinary collection of essays that addresses critically acclaimed works in this subgenre of Jewish literary and artistic culture Featuring discussions of notable figures in the industry the essays focus on how graphic novels are being used in Holocaust memoir and fiction *Munsey's Magazine* ,1922 *The Songs My Mother Never Taught Me* John Jacob

Niles, 1929 **Derelicts Of The Hills and two more Stories** W. C. Tuttle, 2025-10-13 This edition has been fully restored with modern typesetting custom cover design In *Derelicts of the Hills* grand ambition turns to matters of the heart when Magpie decides he s no longer one of the deerylicks on th hills uh life and sets out to marry a beautiful waitress only to discover on his wedding day that his bride to be has a husband and a scheme far more elaborate than his own In *Piperock* the only thing more dangerous than a bad idea is a good one and in *Tales from Piperock* Magpie Simpkins is full of them W C Tuttle the master of old west adventure and slapstick Western comedy invites you to a town where every scheme is shy some sort of a dingus that makes it tick Join the long suffering narrator Ike Harper as he s dragged into the fray by his lanky partner Magpie and the scrappy roving eyed troublemaker Dirty Shirt Jones In *The Catspaw of Piperock* a simple Christmas fundraiser to raffle off an automobile to those crippled crawlers from rival towns descends into a full blown stampede complete with a whisker eatin camel a runaway steer and a disastrous holiday pageant that ends with the prize crashing through the very church it was meant to replace The pandemonium reaches a fever pitch in *Injuneered* when a visiting chief s rented circus featuring a lion a tiger and a misfit elephant is won in a crooked poker game sold to that unholy trinity from Yaller Horse and becomes the centerpiece of a town wide disaster involving a legal attachment a runaway automobile and the sheriff being tossed into a tree before the elephant crashes straight through the livery stable For anyone who loves a good laugh and classic humor where things go spectacularly wrong the chaos of Piperock awaits *A Doctor's Confession* William

Hinshaw,1903 The Crevice William J. Burns,Isabel Ostrander,1915 *The Makin' O' Joe* Louis Matthews Sweet,1919
To-day ,1916 **Dirty Little Secrets** Larry Sabato,Glenn R. Simpson,1996 Political corruption in America is worse today than it has been since the Watergate era Americans know it and the politicians have known it for years Urgent calls for reform have become standard fare but nothing changes A Democrat President and a Republican Congress were both elected on the strength of their promises of reform Neither has delivered Americans contemplate the tottering remains of our ethically bankrupt political system with despair Fact The Christian Coalition s 1994 voter guides appear to have been skewered to favor Republican candidates in key congressional races across the country in direct contravention of federal election law The truth is the politicians couldn t be happier dickering over the remains of the welfare state Because as you ll learn in **Dirty Little Secrets** there is probably not a politician in America who does not benefit directly personally and continually from the status quo Fact The state Democratic party in Tennessee paid sums in excess of six figures to a number of groups and organizations for various political services in 1994 The problem None of the groups actually exist except on paper Our Politicians from those in the highest reaches of the Republican and Democratic parties to those in the humblest state congressional districts evade massage and even break the law in order to hold on to power But instead of merely unmasking corrupt politicians in every region of the country **Dirty Little Secrets** analyzes why corruption persists in American politics despite scandal after scandal and in spite of periodic bursts of reform Fact On the eve of the 1994 elections mock pollsters called up thousand ofvoters in one Wisconsin congressional district to ask whether their electoral decisions would be influenced if they knew one of the candidates was a lesbian Most politicians want to do the right thing But they also want to be reelected and the system is far stronger than any honest man or woman The influence of money and the intricacies of the levers of power make it easier for politicians to ignore the law than to obey it In **Dirty Little Secrets** you will read of the conservative movement s hidden manipulations in 1994 and learn the truth about Newt Gingrich s twenty year program of political destabilization The history of the corrupt House the Democrats built with the help of liberal interest groups stands revealed And Larry J Sabato and Glenn R Simpson expose the corrupt and illegal tactics both parties have used for decades to protect and promote their own power Fact In 1994 in Alabama one local election was decided by three hundred votes Seventeen hundred ballots cast in that election were illegally admitted absentee ballots some of them submitted by dead people Sabato and Simpson s fresh reporting and thousands of hours of background research include interviews with influential politicians consultants and political operatives Freedom of Information Act requests and thousands of pages of obscure campaign reports They prove corruption is not about bad apples or colorful local traditions And they offer a completely original plan for reform Deregulation Plus that will frighten both parties and make the American electorate smile for the first time in years **Dirty Little Secrets** pulls together the corruption story from all parts of the country sooverwhelmingly that no one from the White House to your house will be able to deny that political reform must be one of

the key issues of the 1996 election campaign **Lige Mounts** Frank Bird Linderman,1922 Yellow Souls Dorota
