

**DOING ORAL
HISTORY**

DONALD A. RITCHIE

THIRD EDITION

Doing Oral History

Donald A. Ritchie

Doing Oral History:

Doing Oral History Donald A. Ritchie, 2003 Oral history is vital to our understanding of the cultures and experiences of the past Unlike written history oral history forever captures people's feelings expressions and nuances of language But what exactly is oral history How reliable is the information gathered by oral history And what does it take to become an oral historian Donald A Ritchie a leading expert in the field answers these questions and in particular explains the principles and guidelines created by the Oral History Association to ensure the professional standards of oral historians *Doing Oral History* has become one of the premier resources in oral history It explores all aspects of the field from starting an oral history project including funding staffing and equipment to conducting interviews publishing videotaping preserving materials teaching oral history and using oral history in museums and on the radio In this second edition the author has incorporated new trends and scholarship updated and expanded the bibliography and appendices and added a new focus on digital technology and the Internet Appendices include sample legal release forms and information on oral history organizations *Doing Oral History* is a definitive step by step guide that provides advice and explanations on how to create recordings that illuminate human experience for generations to come Illustrated with examples from a wide range of fascinating projects this authoritative guide offers clear practical and detailed advice for students teachers researchers and amateur genealogists who wish to record the history of their own families and communities

Doing Oral History Donald A. Ritchie, 1995 In this thorough guide to oral history theory methods and practice Donald A Ritchie a prominent U S scholar in the field synthesizes and builds on the extensive literature in manuals and fieldwork guides to provide the first oral history handbook to address individual researchers as well as organized project teams whether novices or veterans in the field to cover videotaping as well as audio recording and to support both teachers and archivists in their use of oral history records Illustrating his guidelines with colorful examples from a wide range of fascinating projects Ritchie offers clear practical and detailed advice on such issues as obtaining funding staffing and equipment conducting interviews publishing videotaping preserving materials teaching oral history and using oral histories in museums on radio in therapy and in interactive video Throughout Ritchie stimulates researchers to consider and focus on the unique aspects of their individual projects as well as the special rewards and results of the recordings they make As he states at the outset Ritchie's emphasis is on doing His definitive guide provides all the practical advice and explanations contemporary oral historians require to turn their ideas and goals into action and to create recordings that illuminate human experience for generations to come

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Doing Oral History Donald A. Ritchie, 2015 *Doing Oral History* is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community The recent development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to

produce and disseminate quality recordings At the same time digital technology has complicated the preservation of the recordings past and present This basic manual offers detailed advice for setting up an oral history project conducting interviews and using oral history for research making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history Doing Oral History Donald A. Ritchie, 2014-09-19 Doing Oral History is considered the premier guidebook to oral history used by professional oral historians public historians archivists and genealogists as a core text in college courses and throughout the public history community Over the past decades the development of digital audio and video recording technology has continued to alter the practice of oral history making it even easier to produce quality recordings and to disseminate them on the Internet This basic manual offers detailed advice on setting up an oral history project conducting interviews making video recordings preserving oral history collections in archives and libraries and teaching and presenting oral history Using the existing Q A format the third edition asks new questions and augments previous answers with new material particularly in these areas 1 Technology As before the book avoids recommending specific equipment but weighs the merits of the types of technology available for audio and video recording transcription preservation and dissemination Information about web sites is expanded and more discussion is provided about how other oral history projects have posted their interviews online 2 Teaching The new edition addresses the use of oral history in online teaching It also expands the discussion of Institutional Review Boards IRBs with the latest information about compliance issues 3 Presentation Once interviews have been conducted there are many opportunities for creative presentation There is much new material available on innovative forms of presentation developed over the last decade including interpretive dance and other public performances 4 Legal considerations The recent Boston College case in which the courts have ruled that Irish police should have access to sealed oral history transcripts has refocused attention on the problems of protecting donor restrictions The new edition offers case studies from the past decade 5 Theory and Memory As a beginner s manual Doing Oral History has not dealt extensively with theoretical issues on the grounds that these emerge best from practice But the third edition includes the latest thinking about memory and provides a sample of some of the theoretical issues surrounding oral sources It will include examples of increased studies into catastrophe and trauma and the special considerations these have generated for interviewers 6 Internationalism Perhaps the biggest development in the past decade has been the spreading of oral history around the world facilitated in part by the International Oral History Association New oral history projects have developed in areas that have undergone social and political upheavals where the traditional archives reflect the old regimes particularly in Eastern Europe the Middle East Asia Africa and Latin America The third edition includes many more references to non U S projects that will still be relevant to an American audience These changes make the third edition of Doing Oral History an even more useful tool for beginners teachers archivists and all those oral history managers who have inherited older collections that must be converted to the latest technology *A Guide for*

Doing Oral History Michigan Oral History Association, 2008 A manual developed by experienced oral historians presenting some of the best practices and concepts they have encountered in conducting effective oral history interviews and projects

The Oxford Handbook of Oral History Donald A. Ritchie, 2011 The Oxford Handbook of Oral History brings together 40 authors on five continents to address the evolution of oral history the impact of digital technology the most recent methodological and archival issues and the application of oral history to both scholarly research and public presentations

A Guide for Doing Successful Oral Histories Michigan Oral History Association, 2019 *The Oral History Manual* Barbara W. Sommer, Mary Kay Quinlan, 2018-07-05 The Oral History Manual is designed to help anyone interested in doing oral history research to think like an oral historian Recognizing that oral history is a research methodology the authors define oral history and then discuss the methodology in the context of the oral history life cycle the guiding steps that take a practitioner from idea through access use They examine how to articulate the purpose of an interview determine legal and ethical parameters identify narrators and interviewers choose equipment develop budgets and record keeping systems prepare for and record interviews care for interview materials and use the interview information In this third edition in addition to new information on methodology memory technology and legal options incorporated into each chapter a completely new chapter provides guidelines on how to analyze interview content for effective use of oral history interview information The Oral History Manual provides an updated and expanded road map and a solid introduction to oral history for all oral history practitioners from students to community and public historians *The Oral History Manual* Barbara W.

Sommer, Mary Kay Quinlan, 2009-06-16 Guides readers through the process of doing oral history **Practicing Oral History in Historical Organizations** Barbara W Sommer, 2015-09-30 It has been half a century since the last book that addressed how historical societies can utilize oral history In this brief practical guide internationally known oral historian Barbara W Sommer applies the best practices of contemporary oral historians to the projects that historical organizations of all sizes and sorts might develop The book covers project personnel options funding options legal and ethical issues interviewing techniques and cataloging guidelines identifies helpful steps for historical societies when developing and doing oral history projects includes a dozen model case studies provides additional resources templates forms and bibliography for the reader *Oral History* Thad Sitton, George L. Mehaffy, O.L. Davis, Jr., 1983-08 More than a mode of gathering information about the past oral history has become an international movement Historians folklorists and other educational and religious groups now recognize the importance of preserving the recollections of people about the past The recorded memories of famous and common folk alike provide a vital complement to textbook history bringing the past to life through the stories of those who lived it Oral History is designed to introduce teachers students and interested individuals to the techniques problems and pleasures of collecting oral history The authors themselves experienced educators examine the uses of oral history in the classroom looking at a wide range of projects that have been attempted and focusing on those that have

succeeded best Besides suggesting many possible projects they discuss the necessary hardware and its use recording equipment and procedures interview outlines and preliminary research photography and note taking in the field transcription and storage of information legal forms and more For the teacher the authors offer helpful advice on training students to be sensitive interviewers in both formal and informal situations How can oral histories collected in the classroom be put to use The authors discuss their uses within the curriculum in projects such as oral history archives publications such as the popular Foxfire books and other media productions and in researching current community problems Useful appendixes survey a variety of reference tools for the oral historian and describe in detail how a Foxfire concept magazine may be developed *Oral History*, 2003 [How to Do Oral History](#), 1989 **Practicing Oral History Among Refugees and Host Communities** Marella Hoffman, 2019-11-22 Practicing Oral History among Refugees and Host Communities provides a comprehensive and practical guide to applied oral history with refugees teaching the reader how to use applied contemporary oral history to help provide solutions to the mega problem that is the worldwide refugee crisis The book surveys the history of the practice and explains its successful applications in fields from journalism law and psychiatry to technology the prevention of terrorism and the design of public services It defines applied oral history with refugees as a field teaching rigorous accessible methodologies for doing it as well as outlining the importance of doing the same work with host communities The book examines important legal and ethical parameters around this complex sensitive field and highlights the cost effective sustainable benefits that are being drawn from this work at all levels It outlines the sociopolitical and theoretical frameworks around such oral histories and the benefits for practitioners future careers Both in scope and approach it thoroughly equips readers for doing their own oral history projects with refugees or host communities wherever they are Using innovative case studies from seven continents and from the author's own work this manual is the ideal guide for oral historians and those working with refugees or host communities [How to Do Oral History](#) Lynn K. Goya, University of Hawaii at Manoa. Center for Oral History, 1987 **California. Court of Appeal (2nd Appellate District). Records and Briefs** California (State)., Received document entitled APPLICATION FOR LEAVE TO FILE AMICUS CURIAE [How to Do it Series](#) National Council for the Social Studies, 1977 *The Information-literate Historian* Jenny L. Presnell, 2007 Suitable for history students this primer is a guide to doing research in order to write a research paper create a website or do a PowerPoint presentation It talks about how to do research on the Internet and how to differentiate between reliable and unreliable historical information on the Web *The Oral History Workshop* Cynthia Hart, Lisa Samson, 2018-08-28 We all know that we should ask now before it's too late before the stories are gone forever But knowing and doing are two different things Cynthia Hart author of Cynthia Hart's Scrapbook Workshop shows exactly how to collect record share and preserve a family member's or a friend's oral history in this practical and inspirational guide The Oral History Workshop breaks down what too often feels like an overwhelming project into a series of easily manageable steps how to prepare for an interview

how to become a better listener why there s always more beneath the surface and the questions to ask to get there the pros and cons of video recording including how your subjects should dress so the focus is on their words four steps to keeping the interview on track how to be attentive to your subject s energy levels and the art of archiving or scrapbooking the interview into a finished keepsake At the heart of the book are hundreds of questions designed to cover every aspect of your subject s history Do you remember when and how you learned to read Who in your life showed you the most kindness What insights have you gained about your parents over the years Would you describe yourself as an optimist or a pessimist In what ways were you introduced to music What is the first gift you remember giving If you could hold on to one memory forever what would it be When the answers are pieced together a mosaic appears a living history

Doing Veterans Oral History

Barbara W. Sommer, 2015-09-29 This pamphlet produced by the Oral History Association in collaboration with the Veterans History Project of the Library of Congress offers a detailed guide to doing oral history interviews with military veterans from interview preparation to the interview itself to what happens afterward It is a valuable resource for teachers and students libraries and community groups veterans associations family members of veterans and anyone who wishes to document the stories of those who have served our country

Doing Oral History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Doing Oral History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Doing Oral History has opened up a world of possibilities. Downloading Doing Oral History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Doing Oral History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads,

publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Doing Oral History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Doing Oral History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Doing Oral History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Doing Oral History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Doing Oral History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Doing Oral History is one of the best

book in our library for free trial. We provide copy of Doing Oral History in digital format, so the resources that you find are reliable.
