Parenting Right From the Start Vanessa Lapointe,2019-10-08 In this book her follow up to the bestseller Discipline Without Damage Dr Lapointe advises new parents how to put their child on a path to optimal development during the crucial early years The baby and toddler years are the most important period for any child s emotional and psychological development Parents naturally want to do what s best for their kids but they often struggle to know what that is especially when dealing with the big battlegrounds of sleep feeding and managing aggression The latest scientific research indicates that it is through a strong and stable sense of connection to their parents that children learn how to regulate their emotions master social skills and develop a sense of identity Unfortunately many of the currently accepted parenting practices and traditional attitudes disrupt healthy connection rather than foster it leading to behavioral issues and emotional problems that can last into adulthood Dr Lapointe helps parents to understand how mindful and conscious parenting can help them to avoid passing unhealthy patterns down from one generation to the next Rooted in compassion and understanding Parenting Right From the Start shows parents how to build a firm caring presence in the early years that a child can lean into for a lifetime
