Hofsommer,1991 The Iron Horse forever changed the American West from a wild frontier to a network of scattered settlements tied together by steel rails Behind the romantic image of the galloping Iron Horse however lies a rich history of American business activity Railway giants have dominated this history but small companies such as the Quanah Acme Pacific Railway Company QA P a short line that operated in four counties of northwestern Texas from near the turn of the century into the 1980s had just as great an impact in their areas of operation as the giants did on the national scene The QA P developed in an era when railroads were tightly regulated by the Railroad Commission of Texas and the federal Interstate Commerce Commission The in depth historical analysis of an American short line railroad presented here is in essence the study of all such carriers in the era before deregulation Fully illustrated with photographs and memorabilia this volume covers the Quanah Route s birth valiant struggle for life and eventual demise in a changing regulatory and competitive environment This then is a history not only of a railroad but also of its service area particularly during one of the last great railroad construction booms which took place in West Texas during the 1920s Through the years of the QA P s life energetic men such as Sam Lazarus and Charles Sommer juggled political and financial concerns against the changing times Lazarus making the deal by which the QA P became a subsidiary of the St Louis San Francisco Frisco road In the end the good roads movement trucking industry and growing American passion for the private automobile spelled the end of the railroads golden age as the prime carrier of passengers and products As traced by Don L Hofsommer in the full archives of the QA P the history of this short line railroad embodies the pulse and pathos of a place through the changing times of the twentieth century *The National union catalog, 1968-1972* ,1973 Origins of the New South, 1877-1913 Comer Vann Woodward,1971 *American Book Publishing Record* ,1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title

indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Catalog of Copyright Entries.
