Guy de Maupassant

Colonels Photograph And Other Stories:

The Short Story and Photography, 1880's-1980's Jane Marjorie Rabb,1998 For over a hundred years stories about photographs and photography have reflected the profound uncertainties and inconclusive endings of the modern world For many writers photography supposedly the most realistic of the arts turns out to be the most ambiguous As Jane Rabb observes in her introduction a number of the stories in this collection involve mysteries perhaps because photography has a capacity for both documentary reality and moral and psychological ambiguity Many nineteenth century writers represented here including Thomas Hardy and Sir Arthur Conan Doyle helped make short fiction as respectable as the novel Some of them were even serious photographers themselves The twentieth century is arguably a golden age for both the short story and photography This collection includes examples from a worldly group of writer Eug ne Ionesco Julio Cort zar Michel Tournier and Italo Calvino as well as the Chinese writer Bing Xin and John Updike Cynthia Ozick and Raymond Carver In this wide range of stories varying from sentimental to obsessive to sinister to tragic and even fatal the reader will find provocative examples of the confluence of the short story and photography both once considered the bastard stepchildren of literature and art

Samuel Beckett's Legacies in American Fiction James Baxter,2021-11-30 Samuel Beckett s Legacies in American Fiction provides an overdue investigation into Beckett s rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett s post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett s dissemination in America following the author s long standing relationship with the countercultural magazine Evergreen Review and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America

Preeto and Other Stories Rakhshanda Jalil,2018-09-20 In a world where more women are joining the work force where ever more are stepping out from their secluded and cloistered world and can be physically seen in larger numbers this collection seeks to explore how male writers in Urdu view and consequently present or represent the women of their world In her Introduction Rakhshanda Jalil traces the history of writings on women by both male and female writers from the doyens of Urdu literature to contemporary writers dealing with contemporary issues setting the mood for the stories in this collection and giving the reader a sampler of what to expect in the ensuing pages The collection includes themes which are timeless as well as topics that are an outcome of the times we live in Starting with two of the four pillars of the Urdu short story Rajinder Singh Bedi and Krishan Chandar who can be credited with introducing a realistic portrayal of women in Urdu fiction the stories in this volume offer multiple ways of seeing women
