Colonial And Early National Period 1654 1840:

The Colonial and Early National Periods, 1654-1840 Jeffrey S. Gurock, 1998 **American Jewish History** jeffrey s gurock, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company **Monuments of Diverse Heritage in Early America** Barry L. Stiefel, 2025-10-01 **Monuments of Diverse Heritage in Early America** Placemaking and Preservation by Black Indigenous and Jewish Peoples explores a more inclusive history of preserving public historic sites At a time when some Americans have embraced white nationalism in response to unfolding demographic changes and others celebrate individual identities over all else an inclusive tolerant and unifying historical vision is sorely needed While past preservation efforts sometimes resulted in exclusionary forms of historical inspiration that need not be the case in the future Bringing greater attention to the diverse heritage of the United States will not only help dismantle the lingering remnants of exclusionary and elitist narratives but also celebrate a pluralistic and diverse past and present An inclusive empowering history can provide social cohesion while allowing room for individual groups to have authority over their pasts and representation in public side by side with one another **The Oxford Handbook of American Jewish History** Shari Rabin, Michael R. Cohen, Stuart and Suzanne Grant Professor in the American Jewish Experience Michael R Cohen, 2025-12-09 **The Oxford Handbook of American Jewish History** creates a vibrant dialogue among the varied approaches to the study of American Jews taking stock of the field and working to move it forward in conversation with American history and modern Jewish history **Jewish Options** Arnold Dashefsky, Ira M. Sheskin, J. Alan Winter, 2024-10-03 This book offers an examination of an expanding set of options for being Jewish in contemporary American society It examines the evolution of Jewish identity across five epochs of Jewish civilization as well as the transformation of the American Jewish experience across four centuries In addition an institutional history and a geographic demographic and religious profile of American Jews are presented including an outline of contemporary Jewish options to express Jewish identity in twenty first century America Readers will gain an understanding of how these options developed via the provision of a socio historical and a social scientific analysis of each option in one integrated volume The book also discusses contemporary challenges to the continuity of American Jewish community and identity including the issues of education interfaith marriage and philanthropy **Hideous Characters and Beautiful Pagans** Heather Nathans, 2017-03-01 While battling negative stereotypes American Jews carved out new roles for themselves within the first theatrical entertainments in America Jewish citizens were active as performers playwrights critics managers and theatrical shareholders and often tied their involvement in these endeavors to the patriotic rhetoric of the young republic as they struggled to establish themselves in the new nation Examining play texts theatrical reviews political discourse and public performances of Jewish rights and rituals **Hideous Characters and Beautiful Pagans** argues that Jewish stage types shed light on our understanding of the status of Jewish Americans during a critical historical period Using an eclectic range of sources including theatrical reviews diaries letters cartoons portraiture tax

records rumors flying around the tavern and more Heather S Nathans has listened for the echoes of vanished audiences who witnessed and responded to these stereotypes onstage from the earliest appearance of Shylock on an American stage in 1752 to Jewish theater artists on the eve of the Civil War The book integrates social political and cultural histories with an examination of those texts both dramatic and literary that shaped the stage Jew *Once We Were Slaves* Laura Arnold Leibman,2021-07-12 *Once We Were Slaves* tells the story of a brother and sister who were born enslaved Christians in Barbados yet ended up among the wealthiest white Jews in New York Tracing the siblings extraordinary journey throughout the Atlantic world Leibman examines artifacts they left behind family heirlooms and official documents to show how this transformation was possible Though their affluence was exceptional their story mirrors that of the largely forgotten population of mixed African and Jewish ancestry that constituted as much as ten percent of the Jewish communities in the New World and challenges current notions regarding Jews and race in early America **The Jews in the Caribbean** Jane S. Gerber,2013-11-28 The Jewish diaspora of the Caribbean constantly redefined itself under changing circumstances This volume looks at many aspects of this complex past and suggests different ways to understand it as a Jewish diaspora dispersed under different European colonial empires as a Jewish body joined together by a set of shared Jewish traditions and historical memories and as one component in a web of relationships that characterized the Atlantic world *Jewish Entanglements in the Atlantic World* Aviva Ben-Ur,Wim Klooster,2024-01-15 *Jewish Entanglements in the Atlantic World* represents the first collective attempt to reframe the study of colonial and early American Jewry within the context of Atlantic History From roughly 1500 to 1830 the Atlantic World was a tightly intertwined swathe of global powers that included Europe Africa North and South America and the Caribbean How when and where do Jews figure in this important chapter of history This book explores these questions and many others The essays of this volume foreground the connectivity between Jews and other population groups in the realms of empire trade and slavery taking readers from the shores of Caribbean islands to various outposts of the Dutch English Spanish and Portuguese empires *Jewish Entanglements in the Atlantic World* revolutionizes the study of Jews in early American history forging connections and breaking down artificial academic divisions so as to start writing the history of an Atlantic world influenced strongly by the culture economy politics religion society and sexual relations of Jewish people *East European Jews in America, 1880-1920* Jeffrey S. Gurock,1998 **Publications of the American Jewish Historical Society** ,1958 **American Jewish History** Jeffrey S.
