

A photograph of a man with a beard and glasses, wearing a dark jacket, speaking at a public event. He is holding a microphone and looking upwards. Behind him is a large, vibrant rainbow graphic. In the foreground, a crowd of people is visible, some looking towards the speaker. The text "DEMOCRACY IN COLOUR" is overlaid in white, bold, sans-serif font across the center of the image. **Bodies at Borders: Analyzing the Objectification and Containment of Migrants at Border Crossing** Louise Ryan, Izabela Grabowska, Vidal Romero, María Encarnación López, 2023-12-22 By the end of 2020 the number of forcibly displaced people globally had reached 82.4 million as a result of persecution, conflict, violence, human rights violations, and events seriously disturbing public order. UNHCR 2021 Efforts to prevent these people from crossing national boundaries have resulted in draconian legislation and the vilification of migrants at various international borders. In the Mediterranean at the border with fortress Europe, there have been thousands of fatalities as migrants risk the treacherous crossing in tiny boats. The so-called weaponization of migration is apparent in recent events on the Polish-Belarusian border as hundreds of asylum seekers are trapped between rival forces of armed soldiers. Under the UK government's hostile environment policy, many legal immigration routes have been closed, and the rights of asylum seekers have been severely curtailed. The so-called migrant caravan which began in Honduras in October 2018 prompted the US and Mexican governments to deploy active-duty military officers to the border, creating more chaos in the area. *The New Color Line* Paul Craig Roberts, Lawrence M. Stratton, Jr., 1997-05-01 In *The New Color Line*, authors Paul Craig Roberts and Lawrence M. Stratton boldly challenge the affirmative action policies that have governed America for the past thirty years. The authors show that equality under the law has given way to legal privileges based on race and gender. Liberal society is being lost along with the presumption of goodwill that is the basis of democracy. The New Color Line offers an explanation for these ironic outcomes: judicial and regulatory edicts have taken the place of statutory law accountable to the people, and coercion has replaced persuasion. This happened because elites regarded democracy as the problem, not the solution. **Democracy, Racism, and Prisons** Harry Van der Linden, 2007
