Columbo Stitch In Crime:

Columbo Amelie Hastie, 2024-01-05 For decades generations of television fans have been enraptured by Lt Columbo played by Peter Falk as he unravels clues to catch killers who believe they are above the law In her investigation of the 1970s series cocreated by Richard Levinson and William Link Amelie Hastie explores television history through an emphasis on issues of stardom authorship and its interconnections with classical and New Hollywood cinema Through close textual analysis attentive to issues of class relations and connections to other work by Falk as well as Levinson and Link *Columbo Make Me a Perfect Murder* sees American television as an intertextual system from its origins as a commercial broadcast medium to its iterations within contemporary streaming platforms Ultimately Hastie argues in the titular detective's constant state of learning about cultural trends and media forms *Columbo* offers viewers the opportunity to learn with him and through his tutelage to become detectives of television itself

Anne Francis Laura Wagner, 2011-08-12 This first ever biography of American actress Anne Francis will enlighten her casual fans and earn a nod of agreement from her diehard admirers The star of such 1950s cinematic classics as *Bad Day at Black Rock* *Blackboard Jungle* and *Forbidden Planet* Anne made the risky decision to transplant her talents to television and as a result her acting has often been taken for granted But TV supplied her with the groundbreaking title role in *Honey West* 1965-66 where she became the first leading actress to portray a private detective on a regular weekly series All of Anne Francis film and television appearances are chronicled including a full episode guide for *Honey West* and a complete listing of her guest roles on such series as *The Twilight Zone* *The Untouchables* and *Murder She Wrote*

Reading the Cozy Mystery Phyllis M. Betz, 2021-03-09 With their intimate settings subdued action and likeable characters cozy mysteries are rarely seen as anything more than light entertainment The cozy a subgenre of crime fiction has been historically misunderstood and often overlooked as the subject of serious study This anthology brings together a groundbreaking collection of essays that examine the cozy mystery from a range of critical viewpoints The authors engage with the standard classification of a cozy the characters who appear in its pages the environment where the crime occurs and how these elements reveal the cozy story's complexity in surprising ways Essays analyze cozy mysteries to argue that Agatha Christie is actually not a cozy writer that *Columbo* fits the mold of the cozy detective and that the stories' portrayals of settings like the quaint English village reveal a more complicated society than meets the eye
