Fords and River Crossings of Texas The state of Texas claims over 12 000 named rivers and streams stretching approximately 80 000 linear miles within its boundaries In this book Bill Winsor identifies and locates over 550 named river crossings within the state that once served as vital destinations for Native Americans European explorers and Mexican and American soldiers and colonists Winsor has catalogued their origins and histories Included in the work are maps of major rivers and their crossings as well as select images of early ferry operations of Texas In addition to an alpha index of the crossings the 625 page book presents an in depth examination of the roles principal rivers and their crossings assumed in the framing of Texas history Each of its fourteen chapters explores the founding of these various sites and the characters that brought them to life This information under one cover presents an incomparable resource for future generations to better understand and appreciate the historical relevance of these vanishing theaters of history **Freedom Colonies** Thad

Sitton,James H. Conrad,2010-01-01 A history of independent African American settlements in Texas during the Jim Crow era featuring historical and contemporary photographs In the decades following the Civil War nearly a quarter of African Americans achieved a remarkable victory they got their own land While other ex slaves and many poor whites became trapped in the exploitative sharecropping system these independence seeking individuals settled on pockets of unclaimed land that had been deemed too poor for farming and turned them into successful family farms In these self sufficient rural communities often known as freedom colonies African Americans created a refuge from the discrimination and violence that routinely limited the opportunities of blacks in the Jim Crow South Freedom Colonies is the first book to tell the story of these independent African American settlements Thad Sitton and James Conrad focus on communities in Texas where blacks achieved a higher percentage of land ownership than in any other state of the Deep South The authors draw on a vast reservoir of ex slave narratives oral histories written memoirs and public records to describe how the freedom colonies formed and to recreate the lifeways of African Americans who made their living by farming or in skilled trades such as milling and blacksmithing They also uncover the forces that led to the decline of the communities from the 1930s onward including economic hard times and the greed of whites who found legal and illegal means of taking black owned land And they visit some of the remaining communities to discover how their independent way of life endures into the twenty first century Thad Sitton and James H Conrad have made an important contribution to African American and southern history with their study of communities fashioned by freedmen in the years after emancipation Journal of American History This study is a thoughtful and important addition to an understanding of rural Texas and the nature of black settlements Journal of Southern History *From Presidio to the Pecos River* Orville B. Shelburne, Jr.,2020-10-08 The 1848 treaty of Guadalupe Hidalgo that

ended the Mexican American War described a boundary between the two countries that was to be ascertained by a joint boundary commission effort The section of the boundary along the Rio Grande from Presidio to the mouth of the Pecos River was arguably the most challenging and it was surveyed by two American parties one led by civilian surveyor M T W Chandler in 1852 and the second led by Lieutenant Nathaniel Michler in 1853 Our understanding of these two surveys across the greater Big Bend has long been limited to the official reports and maps housed in the National Archives and never widely published The discovery by Orville B Shelburne of the journal kept by Dr Charles C Parry surgeon botanist geologist for the 1852 party has dramatically enriched the story by giving us a firsthand view of the Chandler boundary survey as it unfolded Parry s journal forms the basis of From Presidio to the Pecos River which documents the day to day working of the survey teams The story Shelburne tells is one of scientific exploration under duress surveyors stranded in towering canyons overnight without food or shelter piloting inflatable rubber boats down wild rivers rising to the challenges of a profoundly remote area including the possibility of Indian attack Shelburne s comparison of the original boundary maps with their modern counterparts reveals the limitations of terrain and equipment on the survey teams Shelburne s book provides a window on the adventure near disaster and true accomplishment of the surveyors work in documenting the course of the Rio Grande across the Big Bend region McAllister on the Comanche Crossing Matt Chisholm,1985 Comanche Crossing the dreaded width of the Staked Plain between the Texas brasada and Colorado McAllister and a handful of men with 3 000 cattle challenge distance thirst and the most dreaded Indians in the West For the Comanche finest horsemen in the World reckon McAllister owes them a life **McAllister on the Comanche Crossing** Matt Chisholm,2016 The Comanche Crossing the dreaded width of the Staked Plain between the Texas brasada and Colorado McAllister and a handful of men with three thousand cattle would have to challenge distance thirst and the most dreaded Indians in the West if they were to make it across in one piece But that might be easier said than done because the Comanche the finest horsemen in the world reckoned McAllister owed them a life and they were determined to collect in full **The South Western Reporter** ,1927 Includes the decisions of the Supreme Courts of Missouri Arkansas Tennessee and Texas and Court of Appeals of Kentucky Aug Dec 1886 May Aug 1892 Court of Appeals of Texas Aug 1892 Feb 1893 Jan Feb 1928 Courts of Civil and Criminal Appeals of Texas Apr June 1896 Aug Nov 1907 Court of Appeals of Indian Territory May June 1927 Jan Feb 1928 Courts of Appeals of Missouri and Commission of Appeals of Texas **Frontier Times** ,1923 *The Laws of Texas, 1822-1909* ,1898 *The Laws of Texas 1822-1897* Texas,1898 **Annual Report** Oklahoma Corporation Commission,1922 *The Military Engineer* ,1928 Directory of members constitution and by laws of the Society of American Military Engineers 1935 inserted in v 27 Special Laws Passed by the ...
