Intelligence and Espionage in the Reign of Charles II, 1660-1685 Alan Marshall,2003-11-13 A balanced portrait of the dark byways of Restoration politics

Biography by Americans, 1658-1936 Edward H. O'Neill,2016-11-11 This volume is

the most comprehensive bibliography of purely biographical material written by Americans It covers every possible field of life but by design excludes autobiographies diaries and journals

Pepys's Later Diaries Samuel Pepys, 2006-02-15 Pepys never resumed the personal Diary which he abandoned in 1669 when he feared wrongly that he was going blind He was one of the greatest accidental historians never intending to record for posterity only his own amusement But he did write several short diaries or journals at various key moments in his later life Each is a document of historical importance and all have the interest which attaches to any work of an acknowledged master of the diary form C S Knighton for the first time makes these diaries available to the general reader These fascinating documents enlarge and enhance our picture of Pepys as a politician and civil servant As always with Pepys the tone is engaging and revealing sometimes accidentally as often in these documents Pepys is anxious to present himself in the best possible light and does not scruple to lay the blame for any mishaps on others
