## **Colonialist Photography:**

**Colonialist Photography** Eleanor M. Hight, Gary D. Sampson, 2013-06-17 Colonialist Photography is an absorbing collection of essays and photographs exploring the relationship between photography and European and American colonialism The book is packed with well over a hundred captivating images ranging from the first experiments with photography as a documentary medium up to the decolonization of many regions after World War II Reinforcing a broad range of Western assumptions and prejudices Eleanor M Hight and Gary D Sampson argue that such images often assisted in the construction of a colonial culture *Photography and Resistance* Claire Raymond, 2022-05-26 This book argues that photography with its inherent connection to the embodied material world and its ease of transmissibility operates as an implicitly political medium It makes the case that the right to see is fundamental to the right to be Limiting the paradoxical links between photography as a medium and the conditions of political social and epistemological disappearance the book interprets works by African American Indigenous American Latinx and Asian American photographers as acts of political activism in the contemporary idiom Placing photographic praxis at the crux of 21st century crises of political equity and sociality the book uncovers the discursive visual movements through which photography enacts reappearances bringing to visibility erased and elided histories in the Americas Artists discussed in depth include Shelley Niro Carrie Mae Weems Paula Luttringer LaToya Ruby Frazier Matika Wilbur Martine Gutierrez Ana Mendieta An My L and Rebecca Belmore The book makes visible the American land as a site of contestation an as yet not fully recognized battlefield **Capturing Japan in**

**Nineteenth-century New England Photography Collections** Eleanor M. Hight, 2011 Expanding the canon of photographic history *Capturing Japan in Nineteenth Century New England Photography Collections* focuses on six New Englanders whose travel and photograph collecting influenced the flowering of Japonism in late nineteenth century Boston The book also explores the history of Japanese photography and its main themes The first history of its kind this study illuminates the ways photographs seeming conveyors of fact imprint mental images and suppositions on their viewers

*Photography and History in Colonial Southern Africa* Lorena Rizzo, 2019-09-16 This book studies the relationship between photography and history in colonial Southern Africa using a series of encounters with Southern African photographic archives to reflect on photography as a distinct historical form Through use of private and public archives images produced by African itinerant photographers white settlers and colonial state institutions this book explores the relationship between photography and history in colonial Southern Africa Late nineteenth century Cape Colonial prison albums police photographs from German Southwest Africa African studio portraits identity documents travel permits and passports from the 1920s and 1930s visual studies of whiteness and blackness authored by settler photographers South African dompas photographs from the 1950s and 1960s and aerial photography from the Eastern Cape in the mid twentieth century are examined to highlight the ways in which photographic images cut across conventional institutional boundaries and complicate rigid distinctions

between the private and the public the political and the aesthetic the colonial and the vernacular or the subject and the object Photography and History in Colonial Southern Africa argues that rather than understanding photographs as a means of preserving and recreating the past in the present we can value them for how they evoke at once the need for and the limits of historical reconstruction This book will be of interest to students and scholars of colonial history photographic history visual media and African studies

Photography's Orientalism Ali Behdad, Luke Gartlan, 2013-10-01 The Middle East played a critical role in the development of photography as a new technology and an art form Likewise photography was instrumental in cultivating and maintaining Europe's distinctively Orientalist vision of the Middle East As new advances enhanced the versatility of the medium nineteenth century photographers were able to mass produce images to incite and satisfy the demands of the region's burgeoning tourist industry and the appetites of armchair travelers in Europe In this way the evolution of modern photography fueled an interest in visual contact with the rest of the world Photography's Orientalism offers the first in depth cultural study of the works of European and non European photographers active in the Middle East and India focusing on the relationship between photographic literary and historical representations of this region and beyond The essays explore the relationship between art and politics by considering the connection between the European presence there and aesthetic representations produced by traveling and resident photographers thereby contributing to how the history of photography is understood

*The Legacy of Colonialist Photography* Eli Nathan Joseph Gaventa, 2017

The Violence of Colonial Photography Daniel Foliard, 2022-11-15 This book offers a new account of the development of conflict photography It explores how the new technology of the camera was used in the British and French empires as a means of controlling subject populations and how these populations found ways of turning the technology against their oppressors

evoke at once the need for and the limits of historical reconstruction This book will be of interest to students and scholars of colonial history photographic history visual media and African studies The Portrait and the Colonial Imaginary Simon Dell,2020-02-26 French colonisers of the Third Republic claimed not to oppress but to liberate imagining they were spreading republican ideals to the colonies to make a Greater France In this book Simon Dell explores the various roles played by portraiture in this colonial imaginary Anyone interested in the history of colonial Africa will have encountered innumerable portraits of African elites produced during the first half of the twentieth century yet no book to date has focused on these ubiquitous images Dell analyses the production and dissemination of such portraits and situates them in a complex and conflicted field of representations Moving between European and African perspectives The Portrait and the Colonial Imaginary blends history with art history to provide insights into the larger processes that were transforming the French metropole and colonies during the early twentieth century This publication is GPRC labeled Guaranteed Peer Reviewed

**Content** **Picturing a Colonial Past** Isaac Schapera,2007-06-30 Publisher Description **Photographing Central Asia** Svetlana Gorshenina,Sergei Abashin,Bruno De Cordier,Tatiana Saburova,2022-09-06 This volume addresses new theoretical approaches in visual and memory studies that prompted to rethink of the photography of Russian Turkestan of the nineteenth and early twentieth centuries Attempts to relate the visual unknown documentations to postcolonial criticism also opened up new interpretive arenas helping to decentralize the analysis of the history of photography The aim of this volume is to interpret photography as a specific tool that reifies reality subjectively frames it and fits it into various political ideological commercial scientific and artistic contexts Without reducing the entire argument to the binary of photography and power the authors reveal the different modes of seeing that involve distinct cultural norms social practices power relations levels of technology and networks for circulating photography and that determined the manner of its re use in constructing various images of Central Asia The volume demonstrates that photography was the cornerstone of imperial media governance and discourse construction in colonial Turkestan of the tsarist and early Soviet periods The various cases show the complex mechanisms by which images of Turkestan were created remembered or forgotten from the nineteenth until the twenty first century The book should appeal to scholars of the Russian Empire and Central Asia of history of photography and visual culture of memory studies It should be appropriate for use in upper level undergraduate courses and even a broader public

**Colonial Photography and Exhibitions** Anne Maxwell,1999 4e de couverture This book investigates the historical practice of producing stereotyped spectacles of colonized peoples at the great exhibitions and in colonial photography and relates it to the shaping of European and settler identities In doing so it singles out the homogeneous aspects of colonialism s culture as well as distinguishing its discontinuities By comparing the images produced in Britain and France with those produced in North America Australia New Zealand the Pacific Japan and China it proposes that differences in representations of colonized peoples between the imperial centres and the colonies were the result of different social and political agendas

By focusing on the images connected to anthropology dying race theory travel tourism and portraiture Maxwell argues that while some photographs were directed at naturalizing the precept of colonialism others were used to criticize it and to empower indigenous subjects Written from a postcolonial perspective and pursuing an interdisciplinary approach this book will be of interest to scholars students and researchers intent on knowing more about the images of racial and cultural difference that shaped our immediate past
