Games Grandmas Play Joan Jacobs,2001-01-01 Joan Jacobs is a wise and experienced grandma She wants grandmothers everywhere to love what they do and to grow in faith She brings her theological training life experience good humor and imagination together in an inspiring reflection on one of life s greatest opportunities being a grandma Jacobs explores the grandmother grandchild relationship showing grandmothers how to offer practical guidance and spiritual wisdom in a way that encourages the development of their grandchildren *Everyday Object Lessons for Youth Groups* Helen Musick,Duffy Robbins,2011-04-19 You may not like it that students forgot your talk on temptation but remembered your mouse trap object lesson but the fact remains that nothing brings a lesson to life more vividly and concretely or wakes up a drowsy Sunday school class faster than a good object lesson In *Everyday Object Lessons for Youth Groups* the authors who are youth workers and teachers of youth workers pool their most effective 45 object lessons into a collection that s perfect for both junior and senior high youth groups Here are no prep and low prep object lessons for devotionals Sunday school lessons talks at camps and retreats even for sermons Inside you ll find object lessons about Beauty using a kiwi fruit Regret a mirror Divine protection sun block Anger Alka Seltzer and 7 Up The power of words Popsicle sticks Priorities manure Confession hydrogen peroxide Temptation a mousetrap The person of Jesus keys Conformity Play Doh Endurance bricks and 34 more quirky and attention getting object lessons Use them to open your lessons to dramatize your talks to close your Bible studies with a demonstration However you use them you have Bible references and provocative discussion starting questions with each object lesson to help you take it in any direction you want And with both a topical and a scriptural index you can find the perfect object lesson fast [The Parental Peace Accord](#) Jack L. Bailey J.D,2007-05-11 *The Parental Peace Accord* describes a unique process that allows divorced and divorcing parents the opportunity to shift their focus from their own emotional turmoil to the needs and best interests of their children In doing this parents learn that while they may no longer be husband and wife they can and will be parenting partners This process when implemented properly often creates a powerful byproduct that allows the parents to experience an amicable dissolution and create a positive environment for their children Bailey s direct in your face approach tempered with insightful humor makes it difficult to put this book down If you are a divorced or divorcing parent this book is a must read The perspective you gain from Bailey s experiences as a lawyer divorced parent and orphan will be one of the most valuable gifts you can give your children as they adapt to the dissolution of their parents marriage **Tales from Family Therapy** Thorana S Nelson,Terry S Trepper, Frank N Thomas,2014-06-03 You often see books on theoretical approaches and new interventions in therapy but you rarely if ever find a book where therapists discuss their personal reactions to and views of the therapy they offer In this amazing volume *Tales from Family Therapy Life Changing Clinical Experiences* psychologists psychotherapists and marriage and family counselors come together to share their unique experiences in therapy sessions and how they ve learned that often the

clients know more than they do As you will see and as these therapists reveal sometimes all the top notch and most innovative theories in the world won't help a client in distress Tales from Family Therapy isn't just about therapists learning a lesson or two from their clients It's about compassion healing being taken by surprise thinking on your toes and encouraging people to believe in their strengths not just their weaknesses These stories represent to the authors some of the most special most rewarding and most puzzling moments in all their years of therapy They invite you to share in their recollections and discussions of the power of speaking accepting respecting and working with the realities clients bring the importance of first impressions in counseling how personal narratives develop through relationship coloring outside the lines of the dominant culture helping clients determine when rocking the boat is needed listening to your clients and not just your theories developing the self of therapist In the therapy room anything can happen and as Tales from Family Therapy shows anything does Graduate students counselors licensed therapists family educators and family sciences professionals as well as lay readers will find this insightful book a helpful forum where the struggles doubts and triumphs of psychotherapy are revealed to encourage and inspire those who participate in the therapeutic process
