Ward Churchill,1998 Chosen an Outstanding Book on the Subject of Human Rights in the United States by the Gustavus Myers Center for the Study of Human Rights In this volume of incisive essays Ward Churchill looks at representations of American Indians in literature and film delineating a history of cultural propaganda that has served to support the continued colonization of Native America During each phase of the genocide of American Indians the media has played a critical role in creating easily digestible stereotypes of Indians for popular consumption Literature about Indians was first written and published in order to provoke and sanctify warfare against them Later the focus changed to enlisting public support for

civilizing the savages stripping them of their culture and assimilating them into the dominant society Now in the final stages of cultural genocide it is the appropriation and stereotyping of Native culture that establishes control over knowledge and truth The primary means by which this is accomplished is through the powerful publishing and film industries Whether they are the tragically doomed noble savages walking into the sunset of *Dances With Wolves* or Carlos Castaneda's *Don Juan* the exotic mythical Indians constitute no threat to the established order Literature and art crafted by the dominant culture are an insidious political force disinforming people who might otherwise develop a clearer understanding of indigenous struggles for justice and freedom This book is offered to counter that deception and to move people to take action on issues confronting American Indians today [Comanche](#) Brett Riley,2020-09-01 Something is killing the people of Comanche In 1887 near the tiny Texas town of Comanche a posse finally ends the murderous career of The Piney Woods Kid in a hail of bullets Still in the grip of blood lust the vigilantes hack the Kid's corpse to bits in the dead house behind the train depot The people of Comanche rejoice Justice has been done A long bloody chapter in the town's history is over The year is now 2016 Comanche police are stymied by a double murder at the train depot Witnesses swear the killer was dressed like an old time gunslinger Rumors fly that it's the ghost of The Piney Woods Kid back to wreak revenge on the descendants of the vigilantes who killed him Help arrives in the form of a team of investigators from New Orleans Shunned by the local community and haunted by their own pasts they're nonetheless determined to unravel the mystery They follow the evidence and soon find themselves in the crosshairs of the killer Brett Riley **Comanche Moon** ,1979 *Comanche Moon* ,2003 In comic book format presents the story of a white child raised by Indians in captivity and of her son who became the last chief of the Comanche Indians
