Combat Recon My Year With The Arvn:

Combat Recon Robert D. Parrish, 1991-01-01 The author describes his experiences as a young first lieutenant during the Vietnam War when he was an advisor to an infantry battalion of the Army of the Republic of Vietnam **Combat Recon**

Robert D. Parrish, 1992-01-08 A firsthand account of a soldier in Vietnam describes the destruction of the country by American troops and the experience of war from the perspective of South Vietnamese soldiers Reprint AB PW K Resisting Rebellion

Anthony James Joes, 2006-08-18 In *Resisting Rebellion* Anthony James Joes explores insurgencies ranging across five continents and spanning more than two centuries Analyzing examples from North and South America Europe Africa and the Middle East he identifies recurrent patterns and offers useful lessons for future policymakers Insurgencies arise from many sources of discontent including foreign occupation fraudulent elections and religious persecution but they also stem from ethnic hostilities the aspirations of would be elites and traditions of political violence Because insurgency is as much a political phenomenon as a military one effective counterinsurgency requires a thorough understanding of the insurgents motives and sources of support Clear political aims must guide military action if a counterinsurgency is to be successful and prepare a lasting reconciliation within a deeply fragmented society The most successful counterinsurgency campaign undertaken by the United States was the one against Philippine insurgents following the Spanish American War But even more instructive than successful counterinsurgencies are the persistent patterns of errors revealed by Joes s comparative study Instances include the indiscriminate destructiveness displayed by the Japanese in China and the Soviets in Afghanistan and the torture of suspected Muslim terrorists by members of the French Army in Algeria Joes s comprehensive twofold approach to counterinsurgency is easily applied to the U S The first element developing the strategic basis for victory emphasizes creating a peaceful path to the redress of legitimate grievances committing sufficient troops to the counterinsurgent operation and isolating the conflict area from outside aid The second element aims at marginalizing the insurgents and includes fair conduct toward civilians and prisoners systematic intelligence gathering depriving insurgents of weapons and food separating insurgent leaders from their followers and offering amnesty to all but the most incorrigible Providing valuable insights into a world of conflict *Resisting Rebellion* is a thorough and readable exploration of successes and failures in counterinsurgency s long history and a strategy for the future *America and Guerrilla Warfare* Anthony James Joes, 2004 On December 26 2004 a massive tsunami triggered by an underwater earthquake pummeled the coasts of Thailand Indonesia Sri Lanka and other countries along the Indian Ocean With casualties as far away as Africa the aftermath was overwhelming ships could be spotted miles inland cars floated in the ocean legions of the unidentified dead an estimated 225 000 were buried in mass graves relief organizations struggled to reach rural areas and provide adequate aid for survivors Shortly after this disaster researchers from around the world traveled to the region s most devastated areas observing and documenting the tsunami s impact *The Indian Ocean Tsunami The Global Response to a Natural Disaster*

offers the first analysis of the response and recovery effort Editors Pradyumna P Karan and S Subbiah employing an interdisciplinary approach have assembled an international team of top geographers geologists anthropologists and political scientists to study the environmental economic and political effects of the 2004 Indian Ocean tsunami The volume includes chapters that address the tsunami s geo environmental impact on coastal ecosystems and groundwater systems Other chapters offer sociocultural perspectives on religious power relations in South India and suggest ways to improve government agencies response systems for natural disasters A clear and definitive analysis of the second deadliest natural disaster on record The Indian Ocean Tsunami will be of interest to environmentalists and political scientists alike as well as to planners and administrators of disaster preparedness programs

Historical Dictionary of the War in Vietnam

Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War

Why South Vietnam

Fell Anthony James Joes,2014-10-16 Between 1954 and 1963 President Ngo Dinh Diem against great odds but with U S assistance built a functioning South Vietnamese state But gravely misled by American journalists in Saigon the U S embassy in league with second tier members of the State Department urged certain South Vietnamese generals to stage a coup against Diem resulting in his brutal murder Despite the instability after Diem s murder the South Vietnamese Army performed well during the 1968 Tet Offensive and the 1972 Easter Offensive In proportion to population South Vietnamese Army losses were much greater than American losses Nevertheless the American media ignored South Vietnamese sacrifices and completely misrepresented the consequences of the Tet Offensive The disastrous peace agreement the U S forced on the South Vietnamese in 1973 made continuing American support vital But Congress began to slash aid to South Vietnam so that its soldiers had to fight on with dwindling supplies of fuel ammunition and medicine Under these circumstances the South Vietnamese attempted to regroup their army into the provinces around Saigon an effort that ended in disaster The final

chapter reflects on the meaning of the conflict and the tragedy that abandonment by Washington and conquest by Hanoi brought upon the South Vietnamese people An Appendix presents a strategy for preserving a South Vietnamese state with the commitment of a relatively small number of U S forces **Airpower Journal** ,1998 **Vietnam Studies** Carl Singleton,1997-05-22 Provides the interested researcher with background on this small but important country A detailed introduction describes the cultural and societal background of native Vietnamese and Vietnamese Americans Chapters provide annotations classified in categories such as history culture and art language and literature business and economics contemporary Vietnam and the war with America *The Cumulative Book Index* ,1992 A world list of books in the English language **Military History** ,1990-08 **Kirkus Reviews** ,1990 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical *Jim Kobak's Kirkus Reviews* ,1990 **AB Bookman's Weekly** ,1992 **Cataloging Bulletin** Hennepin County Library.
