Ann E. Robertson,2010-06-23 Presents a guide to the issues of global security and terrorism including primary sources important documents research tools organizations and notable persons Combating Terrorism in Northern Ireland James Dingley,2008-10-13 The essays in this volume unite analysis and practice in exploring both the conflict in Northern Ireland and the internationally applicable counter terrorism lessons which can be drawn from the response to it *Human Factors in Effective Counter-Terrorism* Richard Warnes,2024-02-29 This book seeks to provide a comparative assessment of the significance of human factors in effective counter terrorism The phrase human factors is used to describe personal relationships individual capabilities effective leadership technical interface organisational culture and the community engagement necessary to effectively minimise counter and control the threat of terrorism Unlike many works in the field this book is constructed around the input of experienced knowledge from over 170 semi structured interviews of specialist military policing intelligence and security practitioners those actors actually involved in countering terrorism These practitioners come from seven countries the United Kingdom Ireland France Spain Israel Turkey and the United States all of which have suffered over the years from different types of terrorist threat and responded with a mixture of counter terrorist measures Where military practitioners also discussed overseas counter insurgency measures that material has been included since terrorism forms a key aspect of such wider insurgencies The resulting interview data was analysed through a variant of Grounded Theory to identify key emerging themes and issues both positive and negative relevant to human factors in the individual countries and more generically This book incorporates the informed operational experiences and insights of the interviewees while seeking to provide examples of successful counter terrorist measures at the strategic operational and tactical levels This book will be of much interest to students of counter terrorism defence studies and security studies in general *Critical Perspectives on Counter-terrorism* Lee Jarvis,Michael Lister,2014-12-17 This volume examines the rationale effectiveness and consequences of counter terrorism practices from a range of perspectives and cases The book critically interrogates contemporary counter terrorism powers from military campaigns and repression through to the prosecution of terrorist suspects counter terrorism policing counter radicalisation programmes and the proscription of terrorist organisations Drawing on a range of timely and important case studies from around the world including the UK Sri Lanka Spain Canada Australia and the USA its chapters explore the impacts of counter terrorism on individuals communities and political processes The book focuses on three questions of vital importance to any assessment of counter terrorism First what do counter terrorism strategies seek to achieve Second what are the consequences of different counter terrorism campaigns and how are these measured And third how and why do changes to counter terrorism occur This volume will be of much interest to students of counter terrorism critical terrorism studies criminology security studies and IR in general

Counterterrorism Frank Shanty,2012-08-17 This two volume set examines modern nation state legislative diplomatic

military and non military attempts to combat terrorism within and outside state borders The articles which comprise this comprehensive reference work address counterterrorism efforts employed by the international community prior to and following the events of September 11 2001 Global terrorism in the 21st century threatens the foundations of secular democracies and directly challenges global security thereby raising new and critical issues that transcend national borders This two volume reference carefully examines threats such as Weapons of Mass Destruction WMD terrorism agro environmental terrorism and energy related terrorism and discusses technologies and strategies such as the use of biometrics data mining information systems psychological profiling and terrorists rehabilitation efforts to mitigate these threats Counterterrorism From the Cold War to the War on Terror provides an easy to read discussion of some of the principal issues involved in combating contemporary terrorism Information is presented in non technical language making it appealing to the general reader as well as a solid reference for undergraduate college students and researchers Following each article are references to other articles of interest and a comprehensive index facilitates access to specific subject material The second volume includes a compilation of significant national and international treaties laws conventions and protocols that have been implemented in an attempt to counter these ongoing threats to domestic and international security

Counterterrorism in Turkey Mustafa Coşar Ünal,2012-03-12 Counterterrorism in Turkey comprehensively analyses Turkey s counterterrorism policies in the context of the PKK Kurdistan Workers Party an ethnicity based guerrilla insurgency group employing terrorism Contrary to most of the counterterrorism studies that focused on single aspect of the phenomenon this book offers multi level analyses from a variety of perspectives using both quantitative and qualitative data sets Examining what measures have been taken so far and what these policies really mean to the PKK and its sympathisers Ünal examines counterterrorism policies from both the perspective of the government and the PKK The work evaluates whether policy choices so far have been effective and in what circumstances and how they have affected both levels of terrorist violence in Turkey and the nature of this violence This work provides a valuable contribution to the literature on counterterrorism and will be of interest to both practitioners and scholars of terrorism studies extremism and ethnic conflict

Multilateral Counter-Terrorism Peter Romaniuk,2010-04-05 Contemporary terrorism is a global phenomenon requiring a globalized response In this book Peter Romaniuk aims to assess to what extent states seek multilateral responses to the threats they face from terrorists Providing a concise history and a clear discussion of current patterns of counter terrorist co operation this book analyses a wide spectrum of institutions from the United Nations and its various bodies to military intelligence and law enforcement agencies explains the full range of cooperative counter terrorist activities and the patterns across them from the use of intelligence and military force to criminal law measures financial controls and diplomacy examines under what conditions states cooperate to suppress terrorism evaluates how existing international institutions been affected by the US led global war on terror launched after the 9 11 terrorist attacks The book contests that

the whilst there are several notable examples of successful counterterrorism cooperation past and present this work suggests that the broader trend can only be understood if we accept that across the domains of counter terrorism policy cooperation often resembles a competition for influence over outcomes Multilateral Counter terrorism is an essential resource for all students and scholars of international politics criminology and terrorism studies *Counterterrorism Strategies* Yonah Alexander,2006 Essential lessons for combating today s terrorist threats Encyclopedia of World Terrorism: 1996-2002 Frank Shanty,Raymond Picquet,John Lalla,2003 **Terrorism, 2002-2004** Edward F. Mickolus,Susan L. Simmons,2006 **Evolution of U.S. Counterterrorism Policy** Yonah Alexander,Michael Kraft,2008 Using primary documents and analysis this two volume set completely breaks down U S counter terrorism policy both before and after 9 11 **Japan Responds to the War on Terror in Asia** David Richard Leheny,2002 **Peace Research Abstracts Journal** ,2006 *International Journal of Comparative and Applied Criminal Justice* ,2008 **Denver journal of international law and policy** ,2004 Terminate Terrorism Karen A.
