*Come As You Are* Michael Azerrad, 2013-01-23 The definitive biography of the revolutionary band Nirvana and its star crossed frontman Kurt Cobain hailed by Rolling Stone as the first book to comprehensively tell the band's tale from Aberdeen Wash to world domination Amazingly raw and candid an unsparing and extremely honest depiction of the group's highly tumultuous history *Come As You Are* is as good as rock bios get Billboard Just tell the truth That'll be better than anything else that's been written about me Kurt Cobain Nirvana came out of nowhere in 1991 to sell nearly five million copies of their landmark album Nevermind whose thunderous sound and indelible melodies embodied all the confusion frustration and passion of the emerging Generation X *Come As You Are* is the close up intimate story of Nirvana the only book with exclusive in depth interviews with bandmembers Kurt Cobain Krist Noveselic and Dave Grohl as well as friends relatives former bandmembers and associates now updated to include a final chapter detailing the last year of Kurt Cobain's life before his tragic suicide in April 1994 Vivid evocative and thought provoking *Come As You Are* is an essential document not just for Nirvana fans but for anyone interested in the cultural legacy of the 1990s

*Come as You Are* Emily Nagoski, 2015-03-03 An essential exploration of why and how women's sexuality works based on groundbreaking research and brain science that will radically transform your sex life into one filled with confidence and joy Researchers have spent the last decade trying to develop a pink pill for women to function like Viagra does for men So where is it Well for reasons this book makes crystal clear that pill will never be the answer but as a result of the research that's gone into it scientists in the last few years have learned more about how women's sexuality works than we ever thought possible and *Come as You Are* explains it all The first lesson in this essential transformative book by Dr Emily Nagoski is that every woman has her own unique sexuality like a fingerprint and that women vary more than men in our anatomy our sexual response mechanisms and the way our bodies respond to the sexual world So we never need to judge ourselves based on others experiences Because women vary and that's normal Second lesson sex happens in a context And all the complications of everyday life influence the context surrounding a woman's arousal desire and orgasm Cutting edge research across multiple disciplines tells us that the most important factor for women in creating and sustaining a fulfilling sex life is not what you do in bed or how you do it but how you feel about it Which means that stress mood trust and body image are not peripheral factors in a woman's sexual wellbeing they are central to it Once you understand these factors and how to influence them you can create for yourself better sex and more profound pleasure than you ever thought possible And Emily Nagoski can prove it
