inspire us even today in our own spiritual quest Yes answers Dr Korte an author of several books and articles interpreting myths and the Bible as she reads man s spiritual transformation in St John s visions Irma Korte questions the common view of Revelation as a prophesy of horrors and God s revenge and instead invites the reader into man s inner world Here St John contemplates in pictorial mythical language the most essential problems in religion such as the nature of man reality and evil As the visions proceed St John himself experiences a profound inner change He gives up alienating religious beliefs and moves toward ever deeper spirituality culminating in the final illumination Interpreting the visions much like myths are analyzed in Jungian thought Dr Korte compares the images in St John s visions to those from other religious texts psychological and philosophical theories mythology and yoga literature as well as from dreams and experiences of present day men and women The many quotations from the works of Occidental and Oriental mystics testify that they have used images similar to those of St John in recounting their own experiences These mystics include among others St Teresa of Avila St John of the Cross and Paramahansa Yogananda *Salvation*, 1900 **Daniel and John; or, The Apocalypse of the Old and that of the New Testament** Philip Charles Soulbien Desprez, 1878 **Deceived** John Baptista, 2024-01-02 Praise God I was born and raised in a place and time which my extended family had little There was never enough food and clothing was sparse I grew up without a father though notwithstanding having many females in the family there were always men around In this continual scenario I was able to see what sin really is and how it takes advantage of the deceived eventually taking their lives I completed an online seminary course and improved my knowledge of God s Word I held church services in my home weekly for over ten years I have led many people to Christ and counseled them concerning how the deceiver was trying to rob them I pray that God remembers that I shared the love he shares with me *Dr. William Smith's Dictionary of the Bible* William Smith, 1888 **The Life and Writings of St. John** James Madison MacDonald, 1877 **Notes, explanatory and practical, on the New Testament. ed. by R. Frew** Albert Barnes, 1884 **The Logia** John Todd Ferrier, 1926 [A New Witness for God](#) Brigham Henry Roberts, 1898 **New Witnesses for God: Joseph Smith, the prophet** Brigham Henry Roberts, 1911 **New Witnesses for God ...** Brigham Henry Roberts, 1911 [The Battle of the Giants](#) Alexander Campbell, 1875 **The Epistle of Jesus to the Church** James D. Quiggle, 2008-01-01 The Epistle of Jesus to the Church is a commentary on the book of Revelation that assumes Jesus was the author and John the reporter of the words and events described Here one will not find an explanation of an anti Roman message written by John in hidden codes and apocalyptic motifs to fool Roman authorities John the apostle and prophet was the faithful scribe who did not create the message but faithfully and accurately described all that he saw and heard This commentary follows the principle that the Scriptures explain themselves because the Revelation is a word from Jesus to his church a word that is grounded in the Scriptures The Epistle of Jesus to the Church has been written with teachers students and pastors in mind The interpretation of the book of Revelation is thorough difficult passages are addressed and plausible answers are provided to the questions

posed by in depth study of the biblical book This is a commentary for personal study or classroom instruction one that may be confidently used to preach and teach the Revelation of Jesus to the church The Revelation of John Charles C. Whiting, 1918
