Becoming Word For One Another:

When Flesh Becomes Word Bradford K. Mudge, 2004-04-01 *When Flesh Becomes Word* collects nine different examples of British libertine literature that appeared before 1750 Three of these *The School of Venus* 1680 *Venus in the Cloister* 1725 and *A Dialogue Between a Married Lady and a Maid* 1740 are famous whore dialogues dramatic conversations between an older experienced woman and a younger inexperienced maid Previously unavailable to the modern reader these dialogues combine sex education medical folklore and erotic literature in a decidedly proto pornographic form This edition presents other important examples of libertine literature including bawdy poetry a salacious medical treatise an irreverent travelogue and a criminal biography The combination of both popular and influential texts presented in this edition provides an accessible introduction to the variety of material available to eighteenth century readers before the publication of John Cleland's *Memoirs of a Woman of Pleasure* in 1749

The Word Became Flesh E. Stanley Jones, 2006-06-01 This updated classic contains 364 daily devotionals revolving around *And the Word became flesh* John 1:14 and its meaning for a transformed life From his wide experience with world religions and contact with believers across the globe E Stanley Jones explains the difference between Christianity in which God reaches toward humanity through Jesus Christ and other faiths in which humanity reaches toward God in various ways Includes Daily scripture reading commentary a prayer and affirmation for each day Discussion guide for 52 weeks with several questions for reflection and conversation Scripture index Topical index E Stanley Jones 1884-1973 was perhaps the most widely known and admired Christian evangelist of his time He spent a lifetime in missionary work in India Japan and other countries and touched many more lives through his writings Praise for the original volume goes to the heart of the matter for it deals with that which makes the Christian religion unique and enduring among all religions God becoming man a religion rooted and grounded in human history Kirkus Characteristically always spiritually motivated and down to the very heart of life itself *Christian Herald* *Being With Book 2 Courses For Living* Samuel Wells, 2025-08-15 *The Being With* course is an introduction to Christianity with a difference At its heart is the idea that God's greatest desire is to be with us in Jesus Grounded in the conviction that we already have a wealth of understanding of truth beauty and goodness that signify God's presence in our lives and everyday experiences it aims to enable participants to discover dimensions of this presence and to live abundantly with God with one another and with creation
