## **Directed By Allen Smithee:**

**Directed by Allen Smithee** Jeremy Braddock, Stephen Hock, 2001 Allen Smithee specializes in the mediocre He is versatile He is prolific And he doesn't exist From 1969 until 1999 Allen Smithee was the pseudonym adopted by Hollywood directors when they wished not to be associated with films ostensibly of their making Encompassing over fifty films of various stripes B movies sequels music videos made for TV movies Smithee's three decades of work affords the authors of this volume a unique opportunity to reassess the claims of auteurism both in its traditional guise and in the more commodified form it currently assumes Sometimes treating Smithee as an auteur in much the same way critics and scholars have treated directors as diverse as Douglas Sirk Abbas Kiarostami and Quentin Tarantino the contributors reclaim new possibilities for auteurist filmmaking and film studies even as they show what an empty display it has recently become In accounting for this change the essays in this volume employ innovative theories of authorship to recapture the subversive effect that auteurism once enjoyed Thus the Smithee name becomes part of a larger discussion of the economics and history of pseudonyms in filmmaking notably in the blacklist of the 1950s as well as an opportunity to employ Jacques Derrida's theory of the signature to recover obscured economic and historic contexts within Smithee's films Unique in its focus innovative in its approach Directed by Allen Smithee argues that it is precisely through throwaway films such as Smithee's that recent Hollywood cinema can best be studied

**Hollywood's Artists** Virginia Wright Wexman, 2020-07-21 Today the director is considered the leading artistic force behind a film The production of a Hollywood movie requires the labor of many people from screenwriters and editors to cinematographers and boom operators but the director as author of the film overshadows them all How did this concept of the director become so deeply ingrained in our understanding of cinema In Hollywood's Artists Virginia Wright Wexman offers a groundbreaking history of how movie directors became cinematic auteurs that reveals and pinpoints the influence of the Directors Guild of America DGA Guided by Frank Capra's mantra one man one film the Guild has portrayed its director members as the creators responsible for turning Hollywood entertainment into cinematic art Wexman details how the DGA differentiated itself from other industry unions focusing on issues of status and creative control as opposed to bread and butter concerns like wages and working conditions She also traces the Guild's struggle for creative and legal power exploring subjects from the language of on screen credits to the House Un American Activities Committee's investigations of the movie industry Wexman emphasizes the gendered nature of images of the great director demonstrating how the DGA promoted the idea of the director as a masculine hero Drawing on a broad array of archival sources interviews and theoretical and sociological insight Hollywood's Artists sheds new light on the ways in which the Directors Guild of America has shaped the role and image of directors both within the Hollywood system and in the culture at large

Improper Names Marco Deseriis, 2015-10-01 Improper Names offers a genealogy and theory of the improper name which author Marco Deseriis defines as the adoption of the same pseudonym by organized collectives affinity groups and individual

authors Although such names are often invented to pursue a specific social or political agenda they are soon appropriated for different and sometimes diverging purposes This book examines the tension arising from struggles for control of a pseudonym s symbolic power Deseriis provides five fascinating and widely varying case studies Ned Ludd was the legendary and eponymous leader of the English Luddites textile workers who threatened the destruction of industrial machinery and then advanced a variety of economic and political demands Alan Smithee an alias coined by Hollywood film directors in 1969 in order to disown films that were recut by producers became a contested signature and was therefore no longer effective to signal prevarication to Hollywood insiders Monty Cantsin was an open pop star created by U S and Canadian artists in the late 1970s to critique bourgeois notions of authorship but its communal character was compromised by excessive identification with individual users of the name The Italian media activists calling themselves Luther Blissett aware of the Cantsin experience implemented measures to prevent individuals from assuming the alias which was used to author media pranks sell apocryphal manuscripts to publishers fabricate artists and artworks and author best selling novels The longest chapter here is devoted to the contemporary hacktivist group known as Anonymous which protests censorship and restricted access to information and information technologies After delving into a rich philosophical debate on community among those who have nothing in common the book concludes with a reflection on how the politics of improper names affects present day anticapitalist social movements such as Occupy and 15 M

**The Elusive Auteur** Barrett Hodsdon,2017-06-02 The director s authorial role in filmmaking the extent to which a film reflects his or her individual style and creative vision has been much debated among film critics and scholars for decades Drawing on generations of criticism this study describes how the designation auteur has gone from stylistic criterion to product label in what has always been an essentially collaborative industry Examining the controversy in regard to Hollywood directors the author compares directors and would be auteurs of the classic studio system with those of contemporary Hollywood and its new climate of cultural entrepreneurship

**Now I Know: The Soviets Invaded Wisconsin?!** Dan Lewis,2019-10-22 A brand new collection of fascinating facts spanning history and sports to science and pop culture that will have you proudly stating Now I know Did you know that a measles outbreak led to the assigning of phone numbers How about the fact that pirates are the reason we don t use the metric system in the United States Or that there s actually a reason why stepping on a LEGO hurts so damn much Now I Know Soviets Invaded Wisconsin is the ultimate challenge for even the biggest trivia buff From the time a tomato plant stood up to a volcano to Portland s great garbage battle of 2002 this book will put your general knowledge to the test and explain the most fascinating stories behind the world s greatest facts Based on the very popular newsletter you are guaranteed to learn something new despite how much you already think you know Covering 100 topics Now I Know Soviets Invaded Wisconsin will surprise any know it all who thinks they have nothing new to learn

*The Film Director* Richard L. Bare,2000-05-15 In this book you ll find a solid nuts and bolts handbook for the beginning director a candid look at the technical aspects of how

directors work on a set valuable guidance on moviemaking for the low budget director discussions of the careers and working methods of such leading directors as George Lucas James Cameron Steven Spielberg Spike Lee and Mimi Leder practical knowledge on shooting staging camera style rehearsing and editing examples and advice on how to get a job directing with a studio or production company Back cover **Sight and Sound** ,2001 Film and Television In-jokes Bill Van Heerden,1998 In Only the Lonely 1991 Ally Sheedy appeases prospective mother in law Maureen O Hara by going along to see the 1939 film How Green Was My Valley starring Maureen O Hara Richard LaGravenese slighted by critic Gene Siskel over his screenplay for The Fisher King 1991 wrote an unsavory character named Siskel into The Ref 1994 Movies and television shows often feature inside jokes Sometimes there are characters named after crew members Directors are often featured in cameo appearances Alfred Hitchcock s silhouette can be seen in Family Plot 1976 for example This work catalogs such occurrences Each entry includes the title of the film or show year of release and a full description of the in joke *Film Review* ,1996 *Films and Filming* ,1969 **American Cinematographer** ,1987 *The Moving Image* ,2001 **The Phantom of the Movies' Videoscope** Phantom of the Movies,2000 The Phantom of the Movies aka Joe Kane has been avidly watching B movies since the 1960s and chronicling their mainstreaming over the past decade His new book contains 3 000 reviews of thrillers and action flicks horror camp and comedy classics sexploitation sci fi and westerns and incorporates exclusive celebrity interviews with genre heavyweights Gary Oldham Jackie Chan and Pamela Grier and directors John Waters and Wes Craven 100 illustrations *Michael Singer's Film Directors* Michael Singer,1993 *The Shoot-Em-Ups Ride Again* Buck Rainey,1990 The approximately 20 000 cast listings in this supplement combined with the many thousands in the original volume will give readers the most complete record of Western film credits ever compiled Rainey includes 80 Westerns released from 1978 to mid 1988 nearly 500 Westerns released from 1928 to 1978 but not included in Shoot Em Ups 133 Westerns made in Europe additional credits on over 1 500 films appearing in Shoot Em Ups all Western TV series since 1948 and Western telefilms non series feature length Variety Film Reviews ,1988 **Leonard Maltin's TV Movies** Leonard Maltin,1984 **CinemaTexas Program Notes** ,1984 **The Film Encyclopedia** Ephraim Katz,1994 Gay and Lesbian Cinema p 513 514 *From Concept to Screen* Robert L. Benedetti,2002 Written by an Emmy award winning producer and director this book focuses on the underlying principles of film and television production emphasizing the creative rather than the technical aspects The book describes how a film is created from conception to screen and provides a comprehensive overview of the entire production process Not intended as a how to book this book presents only a limited amount of detailed technical information Instead it emphasizes the underlying principles and processes of primarily four kinds of films feature independently financed made for network television and made for cable movies For anyone interested in writing directing producing or acting for film TV

Eventually, you will utterly discover a new experience and deed by spending more cash. still when? attain you consent that you require to get those all needs past having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will lead you to understand even more regarding the globe, experience, some places, when history, amusement, and a lot more?

It is your certainly own epoch to perform reviewing habit. in the course of guides you could enjoy now is **Directed By Allen Smithee** below.
