**The Deferential Worker** Howard Newby, 1979      **Class** John Scott, 1996 Class and status are both foundational themes in the study of sociology John Scott brings together the central theoretical contributions to the debate on class and status as aspects of stratification Using a selection of seminal pieces and commentaries on the classics it raises central issues for example the distinction between class and status which are then examined by leading authorities      **Working-Class Images of Society (Routledge Revivals)** Martin Bulmer, 2016-04-06 First published in 1975 How do men come to perceive and evaluate a world in which marked inequalities of class and status exist This book considers the nature of class images and their underlying work and community structures Beginning with the argument that the perception of society varies according to type of work and community milieu it first considers the social imagery of working class professions and their sources of variation and then examines some of the methodological problems of the study of class imagery The nature of proletarian traditionalism and radicalism in then contemporary Britain is discussed in conclusion This title will be of interest to students of sociology      The Victorian Working Class P. Razzell, R. W. Wainwright, 2016-06-17 In 1849 the Morning Chronicle a leading Victorian newspaper embarked on a social investigation of working class life in England and Wales Set in the immediate context of concern over Chartism and the cholera epidemic its intention was to provide a full and detailed description of the moral intellectual material and physical condition of the industrial poor First published in 1973 this book reflects through the survey the highly complex nature of nineteenth century social structure throughout England and South Wales covering descriptions of contrasting political orientations work and leisure patterns sex and family education and religion In doing so it provides a classic introduction to the social structures of the working class during the nineteenth century This book will be of interest to those studying Victorian history and sociology      **Farmworkers** Alan Armstrong, 1988 This book seeks to distil the experience of some 5 million people over two centuries in four contexts the home and the workplace the local community and the wider social environment in order to produce a picture of farming life as experienced by individual workers and their families      **Farmworkers in England and Wales** Alan Armstrong, 1988      The Sociology of the Blue-collar Worker Norman Francis Dufty, 1969      *Herds and Hinds* Richard F. Anthony, 1997 This is an analysis of the 20th century history of Scottish agriculture outside the Highlands It examines in detail East Lothian and Dumfriesshire and includes interviews      **Instincts in Industry** Ordway Tead, 1918      **Instincts in Industry, a Study of Working-class Psychology** Ordway Tead, 1918      The Militant Worker Scott Lash, 1984      **Conditions of Dependence** Alan Warde, 1989      **Nonmetropolitan Industrial Growth and Community Change** Gene F.
