The Publishers Weekly ,1928      **The Editing of American Literature, 1890-1930** Donald Pizer,2012-07-30 Since the 1960s Donald Pizer has been writing about late 19th century American literature with an emphasis on the major fiction of Theodore Dreiser and Stephen Crane Most academics whose interests lie primarily in the preparation of scholarly editions are attracted to the paradoxical mix of adherence to a rigorous process and an opportunity for speculative thinking that is distinctive to this branch of literary studies And they often find appealing the notion that the end product of their labors is a book that unlike much criticism is sure to be used by others and to have a long lifespan However Pizer came to textual discussion from a different direction than most editors of scholarly editions who seldom wrote criticism about the authors and works they were engaged in editing Consequently Pizer was drawn into the text wars of scholarly editions and during the last three decades of the 20th century he produced a number of essays tackling this sometimes contentious subject **The Editing of American Literature 1890 1930** collects Donald Pizer s essays and reviews that examine the issues associated with providing authoritative scholarly editions of major turn of the century American authors Divided into four sections general essays on editing essays and reviews on the editing of Theodore Dreiser essays and reviews on the editing of Stephen Crane and essays on the interplay of textual theory and critical interpretation in works by Crane and John Dos Passos the volume expresses a distinctive position in the text wars that dominated the editing scene of the 1970 2000 period This collection of essays will be of interest to textual editors of any persuasion as well as literary critics and scholars with a special interest in late 19th and early 20th century American literature      **The Publishers' Circular and Booksellers' Record** ,1930      The American Herd Book Lewis Falley Allen,1882 To which is prefixed a concise history of English and American Short horns compiled from the best authorities      **Annual Report** ,1926      **The American Hereford Record and Hereford Herd Book** American Hereford Cattle Breeders' Association,1922 Brief history of Hereford cattle v 1 p 359 375      Publishers' Circular and Booksellers' Record of British and Foreign Literature ,1916      **Chester White Swine Record** Chester White Swine Record Association,1922      **Homeland: Carrie's Run** Andrew Kaplan,2013-09-03 An edge of your seat original prequel based on Showtime s hit series Homeland Beirut 2006 CIA operations officer Carrie Mathison barely escapes an ambush while attempting a clandestine meeting with a new contact code name Nightingale Suspicious that security has been compromised she challenges the station chief in a heated confrontation that gets her booted back to Langley Expert in recognizing and anticipating behavioral patterns a skill enhanced by her bipolar disorder she keeps secret to protect her career Carrie is increasingly certain that a terrorist plot has been set in motion She risks a shocking act of insubordination that helps her uncover secret evidence connecting Nightingale with Abu Nazir the leader of Al Qaeda in Iraq Determined to stop the terrorist mastermind she embarks on an obsessive quest that will nearly destroy her Filled with the suspense and plot twists that have made Homeland a must watch series this riveting tale reveals the compelling untold backstories of the
