When the Carry On Stopped Dave Ainsworth, 2025-03-30 Uncover the turbulent transition of the Carry On series and its stars during the 1960s When the Carry On Stopped looks at how the Carry On film series made its painful transition from one film company Anglo Amalgamated to another the Rank Organisation In examining this little known but fascinating story the growth of Anglo Amalgamated is highlighted through the success of its owners partners Stuart Levy and Nat Cohen Levy s sudden death in 1966 encouraged Cohen to ditch the Carry Ons in favour of more prestigious feature films Without a film distributor the series producer Peter Rogers was forced to search for another eventually finding the series a new home at Rank However Rank was unwilling to endorse the work of a rival and so dropped the Carry On title The Carry On series looked doomed When the Carry On

Stopped also sheds new light on the careers of the Carry On stars at this critical time We learn of Barbara Windsor s involvement in the stage disaster Twang of Jim Dale s stage success Sid James first heart attack and Charles Hawtrey losing his mother The book calls out the fat shaming of Joan Sims as one of the many injustices shown to her by the producer This is essential reading for Carry On fans and those interested in the machinations of the British entertainment industry in the 1960 s
