he shows off his wit in ways that fail to play a natural role in advancing his narrative he is not writing good fiction To demonstrate this humorous passages are presented to illustrate the contribution a sense of humor can make to a work of fiction The book is arranged topically to facilitate a comparison of distinctive treatments by various authors of adolescent life events such as sibling rivalry bullies and first dates *Presenting Young Adult Fantasy Fiction* Cathi Dunn MacRae,1998 Opening with a fascinating array of definitions by writers critics and teenagers MacRae organizes this elusive genre into manageable categories Each chapter traces the development of one subgenre featuring a detailed biographical critique of a contemporary American fantasist within that category **The Publishers' Trade List Annual** ,1995
