Case Of Walter Pater:

The Case of Walter Pater Michael Levey, 1978-01-01 The Collected Works of Gerard Manley Hopkins Gerard Manley Hopkins, 2006 Gerard Manley Hopkins was not only one of the most gifted Victorian poets he was a compelling diarist who used his journals for everything from daily to do lists to the most intimate spiritual self assessments This volume represents Hopkins as a man of extremes both emotionally and psychologically There are mundane memoranda about neckties to purchase or letters to write but also exacting revisions of poems There are entries of quiet rapture his attention caught by the beauty of the natural world Paintings sculptures and works of literature are stringently assessed his aesthetic principles freely exercised There are also nightmares relived undergraduate sins unsparingly recorded signs of heavenly mercy carefully noted This is the first unexpurgated edition of all extant diaries The entries extend from September 1863 during his second term at Oxford until February 1875 while studying theology as a Jesuit in his beloved Wales and from February 1884 until July 1885 while Hopkins was living at a third remove in Dublin

Decadence and Catholicism Ellis Hanson, 1997 Romantic writers had found in Christianity a poetic cult of the imagination an assertion of the spiritual quality of beauty in an age of vulgar materialism The decadents a diverse movement of writers were the climax and exhaustion of this romantic tradition In their art they enacted the romance of faith as a protest against the dreariness of modern life Ellis Hanson teases out two strands eroticism and aestheticism that rendered the decadent interest in Catholicism extraordinary More than any other literary movement the decadents explored the powerful historical relationship between homoeroticism and Roman Catholicism Why throughout history have so many homosexuals been attracted to Catholic institutions that vociferously condemn homosexuality This perplexing question is pursued in this elegant and innovative book Late nineteenth century aesthetes found in the Church a peculiar language that gave them a means of artistic and sexual expression The brilliant cast of characters that parades through this book includes Oscar Wilde Charles Baudelaire J K Huysmans Walter Pater and Paul Verlaine Art for these writers was a mystical and erotic experience In decadent Catholicism we can glimpse the beginnings of a postmodern valorization of perversity and performativity Catholicism offered both the hysterical symptom and the last hope for paganism amid the dullness of Victorian puritanism and bourgeois materialism
