Case Of Wagner Nietzsche Contra Wagner:

The Case of Wagner, Nietzsche Contra Wagner and Selected Aphorisms Friedrich Wilhelm Nietzsche, Nietzsche wrote the rough draft of The Case of Wagner in Turin during the month of May 1888 he completed it in Sils Maria towards the end of June of the same year and it was published in the following autumn Nietzsche contra Wagner was written about the middle of December 1888 but although it was printed and corrected before the New Year it was not published until long afterwards owing to Nietzsche's complete breakdown in the first days of 1889 In reading these two essays we are apt to be deceived by their virulent and forcible tone into believing that the whole matter is a mere cover for hidden fire a mere blind of sthetic discussion concealing a deep and implacable personal feud which demands and will have vengeance In spite of all that has been said to the contrary many people still hold this view of the two little works before us and as the actual facts are not accessible to every one and rumours are more easily believed than verified the error of supposing that these pamphlets were dictated by personal animosity and even by Nietzsche's envy of Wagner in his glory seems to be a pretty common one Another very general error is to suppose that the point at issue here is not one concerning music at all but concerning religion It is taken for granted that the aspirations the particular quality the influence and the method of an art like music are matters quite distinct from the values and the conditions prevailing in the culture with which it is in harmony and that however many Christian elements may be discovered in Wagnerian texts Nietzsche had no right to raise sthetic objections because he happened to entertain the extraordinary view that these Christian elements had also found their way into Wagnerian music To both of these views there is but one reply they are absolutely false In the Ecce Homo Nietzsche's autobiography a book which from cover to cover and line for line is sincerity itself we learn what Wagner actually meant to Nietzsche On pages 41 44 84 122 129 and if he used the name of David Strauss without bitterness or spite for he did not even know the man when he wished to personify Culture Philistinism so in the same spirit did he use the name of Wagner when he wished to personify the general decadence of modern ideas values aspirations and Art

The Case of Wagner/Nietzsche Contra Wagner/Selected Aphorisms Friedrich Nietzsche,2019-10-02 The Case Against Wagner was one Nietzsche s last books and his wittiest In Wagner s music in his doctrine in his whole concept of art Nietzsche saw the confirmation the promotion even the encouragement of that decadence and degeneration which is now rampant in Europe and it is for this reason although to the end of his life he still loved Wagner the man and the friend that we find him on the very eve of his spiritual death exhorting us to abjure Wagner the musician and the artist **Nietzsche's The Case of Wagner and Nietzsche Contra Wagner** Aaron Ridley,Ryan Harvey,2022-02-28 Wagner was a lifelong obsession for Nietzsche No other topic or figure more consistently and persistently appears in Nietzsche s books from beginning to end as do Wagner and his theories For the first time Ryan Harvey and Aaron Ridley put Wagner centre stage in their book to show why he mattered so much to Nietzsche Looking at both The Case of Wagner and Nietzsche Contra Wagner they identify and define the trajectory of a number of overarching themes modernity decadence and Wagner as the sign of decline within Nietzsche s work as a whole in order to demonstrate how they crystallise into Nietzsche s final and most substantial discussion of Wagner in The Case of Wagner Assuming no prior knowledge of Nietzsche or the texts the book also offers a section by section interpretation of The Case of Wagner addressing especially why Wagner is a case for Nietzsche *The Case of Wagner, Nietzsche Contra Wagner, and Selected Aphorisms* Friedrich Wilhelm Nietzsche,2020-03-16 In The Case of Wagner Nietzsche Contra Wagner and Selected Aphorisms Friedrich Wilhelm Nietzsche critically examines the works and influence of the composer Richard Wagner whose music and ideologies had a profound impact on German culture Through a series of essays and aphorisms Nietzsche articulates his disillusionment with Wagner s romanticism viewing it as a degradation of the artistic spirit The literary style is reflective blending philosophical discourse with a personal narrative allowing Nietzsche to navigate the complexities of art culture and morality in late 19th century Europe The work not only critiques Wagner s operatic legacy but also serves as a lens through which Nietzsche redefines his own aesthetic ideals ultimately leading to the proclamation of the *bermensch* and the reevaluation of values in a post religious world Nietzsche a revolutionary philosopher and cultural critic known for his profound insights into morality religion and art was deeply

influenced by his early admiration for Wagner However his relationship with the composer soured serving as a catalyst for Nietzsche s philosophical emergence His complex response to Wagner illustrates the tension between art and philosophy in Nietzsche s thought reflecting his desire to challenge conventional ideologies and articulate a new vision for humanity This book is essential for those interested in the intersection of music philosophy and culture It offers not only a compelling critique of Wagner but also a profound exploration of Nietzsche s developing thought making it invaluable for scholars students and any reader keen on understanding the evolution of modern philosophical ideas

The Case of Wagner is a critique of German composer Richard Wagner in which Friedrich Nietzsche makes a very public split with the musician Nietzsche found himself at odds with Wagner s increasing involvement in the V lkish movement and anti Semitism The critique of Wagner is something that is seen throughout Nietzsche s work beginning with The Birth of Tragedy wherein he praised Wagner as fulfilling a need in music to go beyond the analytic and dispassionate understanding of music Further praise for the musician can be found in Nietzsche s essay Wagner at Bayreuth contained in Untimely Meditations However in Human All Too Human Nietzsche begins to express his disillusion with Wagner the composer and the man The Case of Wagner was one of the last works authored by Nietzsche It was followed by Nietzsche contra Wagner also included in this edition in which Nietzsche summarizes his criticisms of Wagner from his previous writings
