Case Studies in 21st Century School Administration David L. Gray, Agnes E. Smith, 2007-01-18. *Case Studies in 21st Century School Administration: Addressing Challenges for Educational Leadership* presents real problems that confront today's school leaders who must deal with issues of diversity, school improvement, and limited resources. Authors David L. Gray and Agnes E. Smith give prospective school leaders opportunities to resolve complex issues in K-12 school settings through reflective questions, activities, and authentic assessment tools for skill development.

Confronting Challenges: Case Studies for School Principals Katherine Klippert Merseth, 2015. **Elementary School Principals in Action** Wafa Hoziem, 2017-10-06. *Elementary School Principals in Action: Resolving Case Studies in Leadership* addresses the daily dilemmas of the elementary school principal and the practical application of school leadership while improving Professional Standards for Educational Leaders 2015 competency. The case studies in this book can be a powerful tool for learning school leadership, providing readers with experience in making decisions in the face of uncertainty, much as they will have to do every day when they are in the field. The result of candid interviews with school officials in America's public schools, school improvement organizations, and city and state departments of education, this book explores complex issues in school leadership, from school budget management to navigating parental concerns in the social media age.

Book jacket: *Case Studies in School Leadership* Educational Testing Service, 2005-12-01. *A Case Study Approach to Educational Leadership* Sharon D. Kruse, Julie A. Gray, 2018-07-04. *A Case Study Approach to Educational Leadership* takes on six core areas of school leadership: organizational vision, curriculum, instruction, and assessment; school and external community; school climate and culture; equity and improvement; innovation and reform. Using a case learning approach, this volume introduces salient theoretical and empirical literature in each core area and provides illustrative cases designed for individual and group analysis. Written for aspiring educational leaders, this book facilitates the discussion and reflection of individual and collective professional judgment and helps developing leaders make sense of the challenges school leaders face today.

Special Features: Featured Cases direct readers toward the issues of practice embedded within the theoretical content area. Linkage to relevant Professional Standards for Educational Leaders (PSEL) standards ground each chapter in the latest guidelines for the field. Discussion Questions foster reflection of content and practical applications. Leadership Activities and Web-Based Resources support leaders in making further connections to practice.

Case Studies for School Leaders William L. Sharp, James K. Walter, Helen M. Sharp, 1998. Whatever your profession, a common base of knowledge and standards of performance are required for admission to practice. As an educator, while it is true that the individual states administer actual licensure procedures, they do so based on core standards established across states. These case studies, which cover a cross-section of these core values, are highly useful for people preparing to become educational leaders and for current practicing administrators.
