A large black silhouette of Sherlock Holmes is the central focus. He is wearing his iconic deerstalker hat and a cape. In his right hand, he holds a magnifying glass, and in his left, he smokes a pipe. The background is a stylized green landscape with rolling hills and a city skyline in the distance. In the lower-left foreground, two smaller silhouettes of men in suits and hats are standing on a path.

Sherlock Holmes Doyle made his observation in the 1920s when the detective had already been thrilling readers for 40 years and he modestly attributed his hero's success to the patience and loyalty of the British public. Nearly a century later the fictional sleuth continues to captivate imaginations around the world and to inspire modern-day reinterpretations. By the twentieth century Doyle had moved on to other literary endeavors but the public demand for further adventures of the Baker Street sleuth proved irresistible. *The Casebook of Sherlock Holmes* is the last such work to be regarded as canon, a collection of stories written before other writers claimed the character and his associates as their own. Here are a dozen tales of passion, revenge, greed, and murder, the final adventures of the great detective as recounted by the master storyteller himself. *The Casebook of Sherlock Holmes* Arthur Conan Doyle, Sir, 2016-11-01. In *The Casebook* you can read the final twelve stories that Sir Arthur Conan Doyle wrote about his brilliant detective. They are perhaps the most unusual and the darkest that he penned: Treachery, mutilation, and the terrible consequences of infidelity are just some of the themes explored in these stories, along with atmospheric touches of the gothic involving a bloodsucking vampire, crypts at midnight, and strange bones in a furnace. The Case Book of Sherlock Holmes has twelve stories of the adventures of Holmes and Watson, mostly in their later years. The stories were published in different magazines at different times and were later compiled in *The Case Book of Sherlock Holmes* in 1927. Watson is shown in Holmes's quarters by Billy, a young help. They discuss Holmes's new case of finding the Mazarin stone and the two men who may have possibly stolen it: Count Sylvius and Sam Merton. Count Sylvius is clever and cunning, while Sam is just the loyal muscle man. Holmes fears that the two might be planning to kill him by shooting him through his window, and so has a very life-like wax effigy of him installed in his window. Holmes comes and updates Watson on the new facts of the case. Billy soon after comes and informs of Count Sylvius requesting a visit. Holmes and Watson hide in the bedroom as Count is shown into the living room. Holmes gives a note to the Watson with instructions for Scotland Yard and asks him to leave immediately. The count tries to strike on the effigy, misunderstanding it to be Holmes, when Holmes goes out to meet him. Holmes informs the count of his knowledge about his criminal activities and the witnesses he has who will implicate the Count. He asks them to surrender the stone or be arrested. He also calls Sam Merton and asks the two men

to discuss their situation Once he leaves the two men decide to give a false confession to Holmes while deciding to smuggle the diamond which was in the pocket of the count at the moment to Amsterdam Holmes who had been hiding in the plain sight by impersonating the effigy catches them red handed and hands them to the waiting police Lord Cantlemere comes soon after and Holmes pranks him by placing the diamond in the pocket of a sceptical Lord Cantlemere Lord Cantlemere is joyous and leaves with the prize
