Carry Nation:

Carry A. Nation Fran Grace, 2001-07-20 Carry A Nation Retelling the Life Fran Grace The story of one of America's most notorious and misunderstood women Carry Nation was 54 when she smashed her first saloon but her life before she started her infamous hatchet crusade has been little known until now In this first scholarly biography of Nation Fran Grace unfolds a story that often contrasts with the image of Nation as Crazy Carry a bellicose blue nosed man hating killjoy Using newly available archival materials and placing Nation in her various historical and cultural contexts Grace retells the crusader's tumultuous life Brought up in antebellum Kentucky Nation lived through the devastation of the Civil War and endured a failed marriage to an alcoholic physician In her early 20s a single mother and a destitute widow she experienced a spiritual crisis Her second marriage to a much older David Nation grew strained under the failure of their Texas farm her exploration into Holiness religion and her attempts to work outside the home When the couple moved to Kansas Nation's disappointments translated into an agenda for social reform Frustrated by the rampant violations of the state's prohibition law and empowered by a sense of divine mission Nation responded with rocks crowbars and hatchets Though much of her last two decades was spent on stage or in jail and in battles with other family members over the future of her unstable adult daughter she edited two newspapers and founded several homes for abused and needy women This complexly woven and delightfully written biography adds depth to the popular image of Carry Nation situating her at the center of major cultural currents in her time Fran Grace is Assistant Professor of Religious Studies at the University of Redlands Religion in North America Catherine L Albanese and Stephen J Stein editors May 2001 400 pages 57 b w photos 6 1 8 x 9 1 4 bibl index append cloth 0 253 33846 8 35 00 s 26 50 Carry Nation of Kansas Vance Randolph, 1944 Douglas Moore Jerry L. McBride, 2011-01-01 MLA Index and Bibliography Series vol 36 Additional information online at <https://www.areditions.com/books/IB036.html> **The Use And Need Of The Life Of Carry A. Nation** Carry Amelia Nation, 2025-11 The use and need of the life of Carry A Nation presents an intense personal reflection shaped by conviction and a sense of responsibility toward society From the earliest memories of home and upbringing the narrative shows how inherited values influence a growing awareness of injustice The author observes the impact of destructive habits on families and communities noting how environments marked by struggle can either weaken or strengthen a person's resolve Through recalling moments of personal hardship the writer emphasizes the emotional labor required to challenge accepted norms Instead of focusing on confrontation alone the narrative highlights an inner transformation portraying how reflection can lead to action when ideals become inseparable from purpose Encounters with suffering encourage a deeper understanding of vulnerability particularly regarding those who lack support or protection The opening of the book establishes a foundation of memory self examination and moral clarity showing how conviction is formed not through sudden revelation but through accumulated experience These reflections set the direction for a life devoted to public reform revealing how personal resilience can evolve into

Carry Nation swung her hatchet from the brawling Wichita of Wyatt Earp to the Tenderloin of New York to the halls of Yale and Harvard to the far corners of America and overseas to a bemused Old World Thanks to a masculine bias of the period against shooting women she not only survived she thrived to demolish saloons insult judges defy sheriffs and terrorize bartenders She invaded the most sacred of male preserves and she inspired women everywhere to revolt Even today for readers accustomed to all the varieties of public protest her exploits can only produce a kind of awed wonder In magnificently capturing Carry Nation and her world Robert Lewis Taylor has created a work no lover of true Americana can afford to miss Marvelously detailed delightfully witty this is an altogether spellbinding biography by a major American author Adapted from jacket World Ports ,1920 **Duroc-Jersey Swine Record** ,1914
